Purpose of Act

2 The purpose of this Act is to support and promote the protection, enhancement and wise use of the environment while recognizing the following:

- (a) the protection of the environment is essential to the integrity of ecosystems and human health and to the well-being of society;
- (b) the need for Alberta’s economic growth and prosperity in an environmentally responsible manner and the need to integrate environmental protection and economic decisions in the earliest stages of planning;

- (c) the principle of sustainable development, which ensures that the use of resources and the environment today does not impair prospects for their use by future generations;
- (d) the importance of preventing and mitigating the environmental impact of development and of government policies, programs and decisions;
- (e) the need for Government leadership in areas of environmental research, technology and protection standards;
- (f) the shared responsibility of all Alberta citizens for ensuring the protection, enhancement and wise use of the environment through individual actions;
- (g) the opportunities made available through this Act for citizens to provide advice on decisions affecting the environment;
- (h) the responsibility to work co-operatively with governments of other jurisdictions to prevent and minimize transboundary environmental impacts;
- (i) the responsibility of polluters to pay for the costs of their actions;
- (j) the important role of comprehensive and responsive action in administering this Act.

 - (vi) remediation certificates;
 - (vii) enforcement orders;

(viii) environmental protection orders.

- (2)** Subsection (1)(a) applies only to documents and information provided to the Department on or after September 1, 1993.
- (3)** The Minister may disclose to the public in the form and manner provided for in the regulations any other information in the possession of the Department that the Minister considers should be public information.
- (4)** Where information referred to in subsection (1) or (3) is provided to the Department and relates to a trade secret, process or technique that the person submitting the information keeps confidential, the person submitting the information may make a request in writing to the Director that the information be kept confidential and not be disclosed.
- (5)** Where the Director receives a request for confidentiality under subsection (4), the Director shall
- (a) approve the request and order that the information be kept confidential and not be disclosed where the Director considers that the request is well founded, or
 - (b) refuse the request where the Director considers that the request is not well founded.
- (6)** The Director shall forthwith notify a person who makes a request for confidentiality of the Director's refusal of the request under subsection (5)(b).
- (7)** Where the Director is considering a request for confidentiality or approves a request for confidentiality, no person involved in the administration of this Act may disclose any of the information to which the request relates except
- (a) to any other person who is or has been involved in the administration of this Act or of another law related to the protection of the environment, or to the government of another jurisdiction or an agency of that government for the purposes of administering a law related to the protection of the environment,
 - (b) to the person who provided the information or any other person with the first mentioned person's consent, or
 - (c) as required by any other law or by an order of a court.
- (8)** No person to whom information is disclosed under subsection (7) may further disclose the information or use the information for

any purpose other than the purpose for which it was disclosed to that person.

(9) Information relating to a matter that is the subject of an investigation or proceeding under this Act may not be released under subsection (1) or (3).

Part 2

Environmental Assessment Process, Approvals and Registrations

Definitions

39 In this Part,

- (a) “environmental assessment process” means the procedure established under Division 1 for reviewing proposed activities;
- (b) “environmental impact assessment report” means an environmental impact assessment report required to be prepared under this Part;

- (c) “mandatory activity” means an activity designated as a mandatory activity under the regulations;
- (d) “proponent” means a person, the Government, a Government agency, the government of another jurisdiction or an agency of that government that undertakes a proposed activity;
- (e) “proposed activity” means
 - (i) an activity that has not been commenced,
 - (ii) an activity that is being carried on and for which an approval or registration, other than a renewal, is required but has not been obtained,
 - (iii) a change to an activity where the change is one to which section 67(1) applies and, in the Director’s opinion, is of a substantial nature, and
 - (iv) in the case of an activity that is the subject of an approval or registration and is carried out in stages, those stages of the activity that are not yet covered by the approval or registration.

1992 cE-13.3 s37;1994 c15 s17;1996 c17 s55

Division 1 Environmental Assessment Process

Purpose of environmental assessment process

40 The purpose of the environmental assessment process is

- (a) to support the goals of environmental protection and sustainable development,
- (b) to integrate environmental protection and economic decisions at the earliest stages of planning an activity,
- (c) to predict the environmental, social, economic and cultural consequences of a proposed activity and to assess plans to mitigate any adverse impacts resulting from the proposed activity, and
- (d) to provide for the involvement of the public, proponents, the Government and Government agencies in the review of proposed activities.

1992 cE-13.3 s38;1994 c15 s18

Any Director may require assessment

41 Where any Director is of the opinion that the potential environmental impacts of a proposed activity warrant further

consideration under the environmental assessment process, that Director may refer the proponent or the proposed activity to the Director who is designated for the purposes of sections 43 to 56 so that the proposed activity may be dealt with under section 44.

1992 cE-13.3 s39

Definition

42 In sections 43 to 56, “Director” means the Director who is designated for the purposes of those sections.

1992 cE-13.3 s40

Director’s power to require environmental assessment

43 Where the Director is of the opinion that the potential environmental impacts of a proposed activity warrant further consideration under the environmental assessment process, the Director may by notice in writing to the proponent advise the proponent that the proposed activity must be dealt with under section 44.

1992 cE-13.3 s41

Initial review by Director

44(1) Where a proponent or a proposed activity is referred to the Director under section 41, where the Director gives a notice under section 43 or where a proponent on the proponent’s own initiative consults with the Director in respect of the application of this Division to a proposed activity, the Director shall,

- (a) if the proposed activity is a mandatory activity, direct the proponent by order in writing to prepare and submit an environmental impact assessment report in accordance with this Division, or
- (b) if the proposed activity is not a mandatory activity,
 - (i) make a decision that the potential environmental impacts of the proposed activity warrant further consideration under the environmental assessment process and require that further assessment of the proposed activity be undertaken, or
 - (ii) make a decision that further assessment of the proposed activity is not required and, if it is an activity for which an approval or registration is required, advise the proponent that it may apply for the approval or registration.

(2) The Director may require a proponent to submit a disclosure document in the form and containing the information required by the Director to assist the Director in making a decision under subsection (1)(b).

(3) In making a decision under subsection (1)(b), the Director shall consider the following:

- (a) the location, size and nature of the proposed activity;
- (b) the complexity of the proposed activity and the technology to be employed in it;
- (c) any concerns in respect of the proposed activity that have been expressed by the public of which the Director is aware;
- (d) the presence of other similar activities in the same general area;
- (e) any other criteria established in the regulations;
- (f) any other factors the Director considers to be relevant.

(4) The Director shall notify the proponent

- (a) in writing of a decision made under subsection (1)(b)(i), and
- (b) orally or in writing of a decision made under subsection (1)(b)(ii).

(5) The proponent shall provide notice of a decision of the Director under subsection (1)(b)(i) in accordance with the regulations.

(6) Any person who is directly affected by a proposed activity that is the subject of a decision of the Director under subsection (1)(b)(i) may, within 30 days after the last notice under subsection (5) or within any longer period allowed by the Director in the notice, submit a written statement of concern to the Director setting out the person's concerns with respect to the proposed activity.

1992 cE-13.3 s42;1994 c15 s19;1996 c17 s55

Whether environmental impact assessment report required

45(1) Where the Director decides under section 44(1)(b)(i) that further assessment of a proposed activity is required, the Director shall, in accordance with the regulations,

- (a) prepare a screening report regarding the need for the preparation of an environmental impact assessment report, and
- (b) decide whether preparation of an environmental impact assessment report is required.

(2) The Director shall make the screening report available in accordance with the regulations.

(3) Where the Director decides under subsection (1) that preparation of an environmental impact assessment report is not required, the Director

- (a) shall advise the proponent of that fact,
- (b) if the activity is one for which an approval or registration is required, shall advise the proponent that it may apply for the approval or registration, and
- (c) may refer any information on the potential environmental impacts of the proposed activity to the Director responsible for issuing the approval or registration.

(4) Where the Director decides under subsection (1) that preparation of an environmental impact assessment report is required, the Director shall by order in writing direct the proponent to prepare and submit the report in accordance with this Division.

(5) The Director shall provide notice of the Director's decision regarding preparation of an environmental impact assessment report under subsection (1)(b) in accordance with the regulations.

1992 cE-13.3 s43;1994 c15 s20;1996 c17 s55

Effect of statement of concern

46 The Director shall, in accordance with the regulations, give due consideration to all statements of concern that have been submitted and shall not make a decision under section 45(1)(b) until the applicable period referred to in section 44(6) has expired.

1992 cE-13.3 s44

Minister may order environmental impact assessment report

47 If the Minister is of the opinion that an environmental impact assessment report is necessary because of the nature of a proposed activity, the Minister may by order in writing direct the proponent to prepare and submit the report in accordance with this Division, notwithstanding that

- (a) the Director has not ordered an environmental impact assessment report, or
- (b) the proposed activity is the subject of an exemption under regulations under section 59(b).

1992 cE-13.3 s45

Terms of reference

48(1) Where a proponent is required to prepare an environmental impact assessment report, the proponent shall prepare proposed terms of reference for the preparation of the report in accordance with requirements specified by the Director and shall submit the proposed terms of reference to the Director.

(2) The proponent shall provide notice of the proposed terms of reference and make them available in accordance with the regulations.

(3) After allowing what the Director considers to be a reasonable time for the receipt of comments in respect of the proposed terms of reference, and after giving due consideration to those comments, the Director shall issue final terms of reference for the preparation of the report to the proponent.

(4) The Director shall make the final terms of reference available in accordance with the regulations.

1992 cE-13.3 s46

Contents of environmental impact assessment report

49 An environmental impact assessment report must be prepared in accordance with the final terms of reference issued by the Director under section 48(3) and shall include the following information unless the Director provides otherwise:

- (a) a description of the proposed activity and an analysis of the need for the activity;
- (b) an analysis of the site selection procedure for the proposed activity, including a statement of the reasons why the proposed site was chosen and a consideration of alternative sites;
- (c) an identification of existing baseline environmental conditions and areas of major concern that should be considered;
- (d) a description of potential positive and negative environmental, social, economic and cultural impacts of the proposed activity, including cumulative, regional, temporal and spatial considerations;
- (e) an analysis of the significance of the potential impacts identified under clause (d);
- (f) the plans that have been or will be developed to mitigate the potential negative impacts identified under clause (d);
- (g) an identification of issues related to human health that should be considered;
- (h) a consideration of the alternatives to the proposed activity, including the alternative of not proceeding with the proposed activity;

- (i) the plans that have been or will be developed to monitor environmental impacts that are predicted to occur and the plans that have been or will be developed to monitor proposed mitigation measures;
- (j) the contingency plans that have been or will be developed in order to respond to unpredicted negative impacts;
- (k) the plans that have been or will be developed for waste minimization and recycling;
- (l) the manner in which the proponent intends to implement a program of public consultation in respect of the undertaking of the proposed activity and to present the results of that program;
- (m) the plans that have been or will be developed to minimize the production or the release into the environment of substances that may have an adverse effect;
- (n) the final terms of reference issued by the Director under section 48(3);
- (o) any other information that the Director considers necessary to assess the proposed activity.

1992 cE-13.3 s47

Submission of report

50 The proponent shall submit the environmental impact assessment report to the Director for review.

1992 cE-13.3 s48

Provision of further information

51 The Director may, at any time after receipt of an environmental impact assessment report under section 50, require the proponent to submit to the Director any additional information respecting the proposed activity that the Director considers necessary for the review of the proposed activity.

1992 cE-13.3 s49

Publication of environmental impact assessment report

52 The Director shall require the proponent to publish the environmental impact assessment report and otherwise make it available in accordance with the regulations.

1992 cE-13.3 s50

Powers of Director

53 Where in the opinion of the Director an environmental impact assessment report is complete, the Director shall

- (a) advise the Alberta Energy Regulator or the Alberta Utilities Commission, as the case may be, that the report is complete, in a case where the proposed activity is one in respect of which the approval of the Alberta Energy Regulator or the Alberta Utilities Commission, as the case may be, is required,
- (b) advise the Natural Resources Conservation Board that the report is complete, in a case where the proposed activity is a reviewable project within the meaning of the *Natural Resources Conservation Board Act*, or
- (c) in any other case, submit the environmental impact assessment report to the Minister together with any further information and any recommendations that the Director considers appropriate.

RSA 2000 cE-12 s53;2007 cA-37.2 s82(6);2012 cR-17.3 s88

Powers of Minister

54(1) Subject to section 64(1), where the Director submits an environmental assessment report to the Minister and the proposed activity is one in respect of which

- (a) an approval or registration, or an amendment to an approval or registration, or
- (b) an approval or licence or an amendment to an approval or licence under the *Water Act*

is required, the Minister may advise the proponent that the proponent may apply for the appropriate approval, registration, licence or amendment.

(2) Notwithstanding anything in this Act, the Minister may refer a proposed activity to the Lieutenant Governor in Council with the recommendation that the Lieutenant Governor in Council make an order prescribing the proposed activity as a reviewable project within the meaning of the *Natural Resources Conservation Board Act*.

1992 cE-13.3 s52;1996 cW-3.5 s175;1996 c17 s55

Additional powers of Minister

55 Where the Director submits an environmental impact assessment report to the Minister, the Minister may make any recommendations in respect of the proposed activity that the Minister considers necessary to any person, the Government, a Government agency, a government of another jurisdiction or an agency of that government that may be dealing with the proposed activity.

1992 cE-13.3 s53;1994 c15 s21

Register of environmental assessment information

56 The Director shall establish and maintain in accordance with the regulations a register containing any documents and other information that the regulations require that are provided to the Director or created or issued by the Director under this Division.

1992 cE-13.3 s54

Inter-jurisdictional agreements re environmental assessment

57 Where an enactment of Canada or of another province or territory contains provisions that operate for substantially the same purpose as corresponding provisions of this Division, the Minister may, with respect to a proposed activity that is governed in part by the laws of Alberta and in part by the laws of Canada or the other province or territory, enter into an agreement or arrangement with any Minister or agency of the Government of Canada or of the other province or territory for any or all of the following purposes:

- (a) to determine what aspects of the activity are governed by the laws of both jurisdictions;
- (b) to provide for the carrying out jointly by both jurisdictions of
 - (i) the environmental assessment process, or any part of it, for the purposes of this Division, or
 - (ii) the provisions in any enactment of the other jurisdiction that operate for substantially the same purpose as this Division;
- (c) to provide for the adoption by one or both jurisdictions, for the purposes of their environmental assessment requirements, of
 - (i) all or part of the environmental assessment or review process of the other jurisdiction, and
 - (ii) reports and similar documents prepared by or under the authority of the laws of the other jurisdiction as part of the environmental assessment or review process of that jurisdiction.

1992 cE-13.3 s55

Ministerial regulations

58 The Minister may make regulations

- (a) respecting the establishment and maintenance of a register for the purposes of section 56;
- (b) establishing procedures governing the environmental assessment process;

- (c) varying the application of this Division as necessary in a case where an agreement or arrangement is entered into under section 57;
- (d) establishing mechanisms and procedures
 - (i) for the publishing, providing or making available of anything required to be published, provided or made available under this Division, and
 - (ii) for the providing of any notice required to be provided under this Division;
- (e) respecting the preparation of screening reports for the purposes of section 45;
- (f) respecting the form and content of environmental impact assessment reports;
- (g) respecting the form and content of orders under sections 45(4) and 47;
- (h) respecting proposed and final terms of reference for the purposes of section 48;
- (i) respecting the submission of and handling of statements of concern.

1992 cE-13.3 s56;1994 c15 s22

Lieutenant Governor in Council regulations

59 The Lieutenant Governor in Council may make regulations

- (a) designating mandatory activities;
- (b) exempting proposed activities or classes of proposed activities from the application of the environmental assessment process.

No approval or registration on Minister's order

64(1) Where the Minister is of the opinion that a proposed activity should not proceed because it is not in the public interest having regard to the purposes of this Act, the Minister may at any time by notice in writing to the proponent, with a copy to the Director, order that no approval or registration be issued in respect of the proposed activity.

(2) Where the Minister has made an order under subsection (1) in respect of a proposed activity, the Director may not issue an approval or registration in respect of that proposed activity.

1992 cE-13.3 s62;1996 c17 s55

Refusal for unpaid debts

65 The Director may refuse to issue an approval or registration where the applicant is indebted to the Government.

1998 c15 s7

Application for approval or registration

66(1) An application for an approval or registration must be made in the manner provided for in the regulations and must contain and be accompanied with the information required by the regulations.

(2) The Director may require an applicant for an approval or registration to submit any additional information that the Director considers necessary.

1992 cE-13.3 s63;1996 c17 s55

Director's discretion

66.1(1) Where

- (a) an application has been made for registration relating to an activity that is designated in the regulations as an activity in respect of which registration is required, and
- (b) the Director is of the opinion that an approval is necessary to address environmental protection in respect of the activity,

the Director may by notice in writing to the applicant

- (c) redesignate the activity as an activity in respect of which an approval is required notwithstanding the regulations, and
- (d) deem the application to be an application for an approval.

(2) Where

- (a) a notice has been given under section 87 or 88 relating to an activity that is designated in the regulations as an activity in respect of which notice to the Director under Part 3 must be given, and
- (b) the Director is of the opinion that an approval is necessary to address environmental protection in respect of the activity,

the Director may by notice in writing to the person giving the notice

- (c) redesignate the activity as an activity in respect of which an approval is required notwithstanding the regulations, and
- (d) deem the notice to be an application for an approval.

2003 c37 s7

Changes requiring approval

67(1) No person shall, with respect to an activity that is the subject of an approval, make any change to

- (a) the activity,
- (b) the manner in which the activity is carried on, or
- (c) any machinery, equipment or process that is related to the carrying on of the activity

unless an approval or an amendment to an approval authorizing the change is issued by the Director.

- (2) A person who wishes to make a change under subsection (1) shall apply to the Director in accordance with the regulations.
- (3) This section does not apply to
- (a) adjustments, repairs, replacements or maintenance made in the normal course of operations,
 - (b) changes that do not result in an increase in the release of a substance into the environment,
 - (c) short-term testing or temporary modifications to machinery, equipment or processes that do not cause an adverse effect,
 - (d) changes in the type of equipment used in the conservation or reclamation of specified land, or
 - (e) minor changes to conservation and reclamation plans that do not contravene the purpose or intent of the approval.

RSA 2000 cE-12 s67;2003 c37 s8

Issue of approval or registration

- 68(1)** The Director may issue or refuse to issue an approval or registration.
- (2) The Director may issue an approval subject to any terms and conditions the Director considers appropriate.
- (3) The terms and conditions of an approval may be more stringent, but may not be less stringent, than applicable terms and conditions provided for in the regulations.
- (4) In making a decision under this section, the Director
- (a) shall, in addition to any criteria that the Director is required by the regulations to consider, consider any applicable written decision of the Alberta Energy Regulator, the Alberta Utilities Commission, the Board, as defined in the *Agricultural Operation Practices Act*, under Part 2 of that Act or the Natural Resources Conservation Board in respect of the subject-matter of the approval or registration, and
 - (b) may consider any evidence that was before the Alberta Energy Regulator, the Alberta Utilities Commission, the Board, as defined in the *Agricultural Operation Practices Act*, under Part 2 of that Act or the Natural Resources Conservation Board in relation to that written decision.

(5) The Director may issue an approval or registration for a specified period.

2012 cR-17.3 s88

Extension of expiry date of approval

69(1) The Director may extend the expiry date, if any, of an approval or registration for one or more periods of not more than one year each.

(2) The 2nd extension and any subsequent extensions of an approval under subsection (1)

- (a) may be made only where the Director is of the opinion that the extension is necessary to allow for the effective public review of the renewal of the approval, and
- (b) are, for the purposes of the provisions of this Division that require the giving of notice and for the purposes of Part 4, to be treated as if they were amendments of a term or condition of the approval made under the authority of section 70(3)(a).

1992 cE-13.3 s66;1996 c17 s9

Amendment, suspension and cancellation of approval or registration

70(1) On application by an approval or registration holder, the Director may, in accordance with the regulations,

- (a) amend a term or condition of, add a term or condition to or delete a term or condition from an approval, or
- (b) cancel an approval or registration,

if the Director considers it appropriate to do so.

(2) An application under subsection (1) must be made in the manner provided for in the regulations.

(3) If the Director considers it appropriate to do so, the Director may on the Director's own initiative in accordance with the regulations

- (a) amend a term or condition of, add a term or condition to or delete a term or condition from an approval
 - (i) if in the Director's opinion an adverse effect that was not reasonably foreseeable at the time the approval was issued has occurred, is occurring or may occur,
 - (ii) if the term or condition relates to a monitoring or reporting requirement,

- (iii) where the purpose of the amendment, addition or deletion is to address matters related to a temporary suspension of the activity by the approval holder, or
- (iv) where the approval is transferred, sold, leased, assigned or otherwise disposed of under section 75,
- (b) cancel or suspend an approval or registration, or
- (c) correct a clerical error in an approval or registration.

(4) Without limitation to subsection (3)(b), the Director may cancel or suspend an approval or registration if the approval or registration holder is indebted to the Crown.

Director's power to modify

71 Where the Director

- (a) issues an approval or registration, or
- (b) amends a term or condition of, adds a term or condition to or deletes a term or condition from an approval,

the Director may do so as originally contemplated in the application or proposal or with modifications.

1992 cE-13.3 s68;1996 c17 s55

Notice of applications and proposed changes

72(1) Where the Director receives

- (a) an application for an approval under section 66,
- (a.1) an application for registration under section 66 or a notice under section 87 or 88 and the Director has given notice under section 66.1 that the application or notice is deemed to be an application for an approval,
- (b) an application under section 67(2) in respect of a change to an activity, or
- (c) an application under section 70(1)(a) to amend a term or condition of, add a term or condition to or delete a term or condition from an approval,

the Director shall, in accordance with the regulations, provide or require the applicant to provide notice of the application.

(2) Where the Director proposes to make an amendment, addition or deletion pursuant to section 70(3)(a), the Director shall provide notice to that effect in accordance with the regulations.

(3) Notwithstanding subsection (1) or (2), where the Director is satisfied that

- (a) there is an emergency,
- (b) the activity to which the application relates or the proposed amendment, addition, deletion or change is a routine matter within the meaning of the regulations, or
- (c) adequate notice of the subject-matter of the application or the proposed amendment, addition, deletion or change has already been given,

the Director may waive the notice requirements set out in subsections (1) and (2).

(4) The Director may waive notice in accordance with subsection (3)(c) notwithstanding that some or all of the adequate notice referred to in that subsection was given before September 1, 1993.

RSA 2000 cE-12 s72;2003 c37 s9

Statement of concern

73(1) Where notice is provided under section 72(1) or (2), any person who is directly affected by the application or the proposed amendment, addition, deletion or change, including the approval holder in a case referred to in section 72(2), may submit to the Director a written statement of concern setting out that person's concerns with respect to the application or the proposed amendment, addition, deletion or change.

(2) A statement of concern must be submitted within 30 days after the last providing of the notice or within any longer period specified by the Director in the notice.

1992 cE-13.3 s70;1994 c15 s28

Notice of decision taken

74(1) Where the Director

- (a) issues an approval,
- (b) makes an amendment, addition or deletion pursuant to an application under section 70(1)(a), or
- (c) makes an amendment, addition or deletion pursuant to section 70(3)(a),

the Director shall do either of the things referred to in subsection (2).

(2) If subsection (1) applies, the Director shall,

- (a) where no notice of the application or proposed changes was provided by reason of the operation of section 72(3), provide or require the provision of notice of the decision in accordance with the regulations, or
 - (b) where notice of the application or proposed changes was provided under section 72(1) or (2), provide notice or require the provision of notice of the decision in accordance with the regulations to every person who submitted a statement of concern in accordance with section 73.
- (3) The Director shall give to the applicant or the approval holder, as the case may be, written notice of any decision made by the Director to issue or refuse to issue an approval or to make or refuse to make an amendment, addition or deletion under this Division.
- (4) The Director shall, in accordance with the regulations, provide to any person who submitted a statement of concern in accordance with section 73 notice of any decision made by the Director to refuse to issue an approval or to refuse to make an amendment, addition or deletion under this Division.
- (5) In addition to providing notice of a decision under subsection (2)(b) or (4), the Director may provide notice of the decision to any other person the Director considers appropriate.
- (6) The Director shall immediately on cancelling or suspending an approval under section 70(3)(b) or (4)
- (a) give notice in writing of the cancellation or suspension to the approval holder, and
 - (b) provide notice of the cancellation or suspension in the manner provided for in the regulations.

RSA 2000 cE-12 s74;2002 c4 s1

Transfer of approval or registration

75(1) No person shall transfer, sell, lease, assign or otherwise dispose of an approval or registration except in accordance with the regulations.

(2) The Director may impose any terms and conditions that the Director considers appropriate in respect of the transfer, sale, lease, assignment or other disposition of an approval or registration.

1992 cE-13.3 s72;1996 c17 s55

New information

76 An approval or registration holder shall forthwith submit to the Director any new and relevant information respecting any actual or potential adverse effect that results from the activity to which the

approval or registration relates and comes to the approval or registration holder's attention after the issuance of the approval or registration.

1992 cE-13.3 s73;1996 c17 s55

Certificate of variance

77(1) An approval or registration holder and any other person who is engaged in any activity that is governed by the regulations may apply to the Minister for a certificate of variance to vary a term or condition of the approval or a requirement of the regulations.

(2) An application for a certificate of variance shall be accompanied with information that shows the nature and extent of all consultations that the applicant has had with persons who will be directly affected by the proposed variance.

1992 cE-13.3 s74;1996 c17 s11

Issuance of certificate of variance

78(1) The Minister may issue a certificate of variance if the Minister is of the opinion that

- (a) the activity to which the certificate relates is operating or is likely to operate in contravention of a term or condition of the approval or a requirement of the regulations as a result of factors beyond the control of the applicant,
- (b) the proposed variance is not likely to cause a significant adverse effect, and
- (c) refusal to grant a certificate of variance would result in serious economic hardship to the applicant without an offsetting benefit to others.

(2) The Minister may

- (a) impose any terms and conditions that the Minister considers appropriate with respect to any certificate of variance,
- (b) specify requirements as to the manner in which the activity to which the certificate of variance relates is to be carried on or operated, and
- (c) amend a term or condition of, add a term or condition to or delete a term or condition from a certificate of variance.

(3) The Minister shall require the holder of the certificate of variance to provide notice of the issuance of the certificate, together with the reasons for the issuance of the certificate, in the form and manner directed by the Minister.

(4) A certificate of variance is in effect only during the period prescribed in it and, notwithstanding anything in this Act, during that period

- (a) the terms and conditions set out in the certificate, and
- (b) the terms and conditions of the approval or the requirements of the regulations that are not varied by the certificate

apply to the activity to which the certificate relates.

1992 cE-13.3 s75

Certificate of qualification required

79 No person shall commence or continue any activity or the use of any thing that is designated by the regulations as an activity or thing in respect of which a certificate of qualification is required, unless that person holds the appropriate certificate of qualification.

1992 cE-13.3 s76

Issuance of certificate of qualification

80(1) A certificate of qualification may be issued by

- (a) the Director, or
- (b) the authorized representative of an organization designated under subsection (2).

(2) The Director may designate organizations that are qualified to issue the kinds of certificates of qualification set out in the designation.

1996 c17 s12

Application for certificate of qualification

81(1) An application for a certificate of qualification must be made to the Director or the authorized representative of a designated organization in accordance with the regulations.

(2) The Director or authorized representative may require an applicant to submit any additional information the Director or authorized representative considers necessary.

1992 cE-13.3 s77;1996 c17 s13

Issuance of certificate of qualification

82(1) The Director or the authorized representative of a designated organization may issue or refuse to issue a certificate of qualification in accordance with the regulations.

(2) The Director may issue a certificate of qualification subject to any terms and conditions the Director considers appropriate.

(3) The terms and conditions of a certificate of qualification may be more stringent, but may not be less stringent, than applicable terms and conditions provided for in the regulations.

(4) A certificate of qualification is valid for the term prescribed in the regulations.

1992 cE-13.3 s78;1996 c17 s14

Amendment and cancellation

83(1) The Director may, in accordance with the regulations,

- (a) amend a term or condition of, add a term or condition to or delete a term or condition from a certificate of qualification if the Director considers it appropriate to do so,
- (b) cancel or suspend a certificate of qualification if the Director considers it appropriate to do so,
- (c) correct a clerical error in a certificate of qualification, or
- (d) cancel a certificate of qualification on application of the holder of the certificate of qualification.

(2) The Director may exercise a power under subsection (1) notwithstanding the fact that the certificate of qualification may have been issued by the authorized representative of a designated organization.

(3) The Director shall give notice in writing to the holder of a certificate of qualification at least 30 days in advance of making an amendment, addition or deletion under subsection (1)(a).

1992 cE-13.3 s79;1996 c17 s15

Compliance with code of practice

83.1 No person shall commence or continue any activity that is

- (a) designated by the regulations as requiring a registration, and
- (b) governed by a code of practice

except in accordance with that code of practice.

2003 c37 s10

Security

84(1) If required by the regulations, an applicant for or a holder of an approval, a registration, a remediation certificate, a certificate of qualification or a certificate of variance shall provide financial or other security and carry insurance in respect of the activity or thing

to which the approval, registration, remediation certificate, certificate of qualification or certificate of variance relates.

(2) Subsection (1) does not apply to the Government or a Government agency.

1992 cE-13.3 s80;1996 c17 s16

Ministerial regulations

85(1) The Minister may make regulations

- (a) designating activities or classes of activities in respect of which an approval or registration is required, respecting the circumstances under which an approval or registration is required and the persons or classes of persons who are required to obtain an approval or registration and specifying the kind of approval or registration that is required;
- (b) exempting any activities or classes of activities related to storing and processing designated material from all or any of the provisions of this Part or of the regulations, for a period of time or permanently, with or without conditions;
- (c) designating activities or things or classes of activities or things in respect of which a certificate of qualification is required, respecting the circumstances under which a certificate of qualification is required and the persons or classes of persons who are required to obtain a certificate of qualification and specifying the kind of certificate of qualification that is required;
- (d) respecting the procedure for the submission of applications for approvals, registrations and certificates of qualification and amendments to approvals, registrations and certificates of qualification, the form and content of the applications, the conditions required to be met by applicants and the kinds of plans and specifications that must accompany applications;
- (e) providing for the acceptance of certificates and qualifications from other jurisdictions as certificates of qualification for the purposes of this Act;
- (f) establishing the administrative and referral procedures by which applications for approvals, registrations and certificates of qualification and amendments to approvals, registrations and certificates of qualification may be dealt with;
- (g) specifying requirements as to the manner in which an activity that is the subject of an approval or registration is

to be tested or operated before normal operations commence;

- (h) specifying work that is permitted for the purposes of section 62;
- (i) respecting the transfer, sale, lease, assignment or other disposition of approvals and registrations;
- (j) requiring operators of equipment that may have an impact on the environment to meet specified eligibility requirements as to training or experience or both;
- (k) respecting the taking of samples of any thing and regulating the frequency, methods and procedures in respect of the sampling;
- (l) respecting the submission of reports and returns in respect of activities;
- (m) respecting the records to be kept in respect of an activity, the form of them and the person by whom, the place at which and the length of time for which they are to be kept;
- (n) requiring the submission of records to the Director and providing for the inspection of records by the Director;
- (o) defining “oil production site” for the purposes of this Act.

(2) A regulation may be made under subsection (1)(j), (k), (l), (m) or (n) whether or not it relates to an activity in respect of which an approval or registration is required.

(3) Where an activity or class of activities has been designated under subsection (1)(a) as requiring an approval and the designation is later amended so that a registration is required, the Minister may make regulations

- (a) deeming the approval to be a registration;
- (b) respecting the date on which the code of practice or portion of the code of practice governing that activity or class of activities is to take effect;
- (c) to continue any terms and conditions of the approval until the date referred to in clause (b);
- (d) providing that the expiry date of the approval no longer applies;

- (e) providing for any other matter that the Minister considers necessary to facilitate the transition from an approval to a registration and a code of practice.

RSA 2000 cE-12 s85;2003 c37 s11

Lieutenant Governor in Council regulations

86(1) The Lieutenant Governor in Council may make regulations

- (a) respecting the terms and conditions on which approvals and certificates of qualification may be granted and to which they are subject;
- (b) prescribing the length of time for which approvals, registrations and certificates of qualification may be issued and permitting the Director to issue an approval, registration or certificate of qualification or the authorized representative of a designated organization to issue a certificate of qualification for a shorter period of time than prescribed in the regulations;
- (c) respecting the form and amount of financial or other security to be given and insurance to be carried by an applicant for or a holder of an approval, a registration, a remediation certificate, a certificate of qualification or a certificate of variance;
- (d) respecting the manner in which and the conditions under which any security given by an approval or registration holder or the holder of a remediation certificate, a certificate of qualification or a certificate of variance may be forfeited or returned, in whole or in part;
- (e) governing and prohibiting any activity or the use of any thing for the purposes of the protection of the environment, including regulations governing the design, construction, maintenance or use of the activity or thing;
- (f) governing and prohibiting the manufacture, sale or use of any equipment, device or service designed or provided for any purpose related to the protection of the environment;
- (g) respecting the manner in which notice is to be provided under sections 72(1) and (2) and 74(3) and (6);
- (h) establishing or providing for the means of establishing what is a routine matter for the purposes of section 72(3)(b);
- (i) generally, providing for any other matters necessary for the purposes of this Part.

(2) A regulation may be made under subsection (1)(e), (f) or (i) whether or not it relates to an activity in respect of which an approval is required.

Part 3 Activities Requiring Notice

Prohibition

87 No person shall knowingly commence or continue any activity that is designated by the regulations as an activity in respect of which notice must be given to the Director unless that person gives notice to the Director, in the form and manner required by the regulations, that that person is carrying on or intends to carry on the activity.

1996 c17 s18

Prohibition

88 No person shall commence or continue any activity that is designated by the regulations as an activity in respect of which notice must be given to the Director unless that person gives notice to the Director, in the form and manner required by the regulations, that that person is carrying on or intends to carry on the activity.

1996 c17 s18

Compliance with code of practice

88.1 No person shall commence or continue any activity that is

- (a) designated by the regulations as an activity in respect of which notice must be given to the Director, and
- (b) governed by a code of practice

except in accordance with that code of practice.

2003 c37 s12

Security

88.2(1) If required by the regulations, a person who commences or continues an activity that is governed by a code of practice shall

- (a) provide financial or other security, and
- (b) carry insurance

in respect of the activity that is the subject of a code of practice.

(2) Subsection (1) does not apply to the Government or a Government agency.

2003 c37 s12

Regulations

89(1) The Minister may make regulations

- (a) designating activities or classes of activities in respect of which notice under sections 87 and 88 must be given and respecting the circumstances under which notice must be given and the persons or classes of persons who are required to give notice;
- (b) respecting the form and contents of a notice under sections 87 and 88 and the time at which and manner in which it must be given.

(2) Where an activity or class of activities has been designated under section 85(1)(a) as requiring an approval or registration and the designation is later amended so that notice under sections 87 and 88 is required, the Minister may make regulations providing for any matter that the Minister considers necessary to facilitate that transition.

Part 4

Environmental Appeals Board

Environmental Appeals Board established

90(1) There is hereby established the Environmental Appeals Board consisting of persons appointed by the Lieutenant Governor in Council.

(2) The Board shall hear appeals as provided for in this Act or any other enactment.

(3) The Board may convene a panel of Board members to conduct a hearing of an appeal and appoint a person to chair the panel.

(4) Where a panel is convened, the panel has all the powers of the Board and is subject to all the same duties the Board is subject to, and a reference in this Act to the Board is to be read as a reference to the panel.

RSA 2000 cE-12 s90;2003 c42 s6

Notice of appeal

91(1) A notice of appeal may be submitted to the Board by the following persons in the following circumstances:

- (a) where the Director issues an approval, makes an amendment, addition or deletion pursuant to an application under section 70(1)(a) or makes an amendment, addition or deletion pursuant to section 70(3)(a), a notice of appeal may be submitted

- (i) by the approval holder or by any person who previously submitted a statement of concern in accordance with section 73 and is directly affected by the Director's decision, in a case where notice of the application or proposed changes was provided under section 72(1) or (2), or
 - (ii) by the approval holder or by any person who is directly affected by the Director's decision, in a case where no notice of the application or proposed changes was provided by reason of the operation of section 72(3);
- (b) where the Director refuses
- (i) to issue an approval, or
 - (ii) to make an amendment, addition or deletion in respect of an approval pursuant to an application under section 70(1)(a),
- the applicant may submit a notice of appeal;
- (c) where the Director cancels or suspends an approval under section 70(3)(b) or (4), the approval holder may submit a notice of appeal;
- (d) where the Director cancels a certificate of qualification under section 83(1)(b), the holder of the certificate of qualification may submit a notice of appeal;
- (e) where the Director issues an enforcement order under section 210(1)(a), (b) or (c), the person to whom the order is directed may submit a notice of appeal;
- (f) where an inspector issues an environmental protection order regarding conservation and reclamation under section 140 or 141, the person to whom the order is directed may submit a notice of appeal;
- (g) where the Director issues an environmental protection order under section 129,
- (i) the person to whom the order is directed, and
 - (ii) any person who is directly affected by the designation of the contaminated site
- may submit a notice of appeal;
- (h) where the Director issues an environmental protection order, except an environmental protection order directing

the performance of emergency measures under section 114, 151 or 160 and an environmental protection order referred to in clause (g), the person to whom the order is directed may submit a notice of appeal;

- (i) where an inspector issues a reclamation certificate under section 138, or the Director or an inspector amends a reclamation certificate under section 139, the operator and any person who receives a copy of the certificate or amendment under section 145 may submit a notice of appeal;
 - (j) where the Director or an inspector cancels a reclamation certificate, the operator may submit a notice of appeal;
 - (k) where the Director or an inspector refuses to accept an application for a reclamation certificate or an inspector refuses to issue a reclamation certificate, the operator may submit a notice of appeal;
 - (l) where the Director or an inspector issues, amends or cancels a remediation certificate under section 117, any person who receives notice of the issuance, amendment or cancellation as provided for in the regulations may submit a notice of appeal;
 - (l.1) where the Director or an inspector refuses to accept an application for a remediation certificate or refuses to issue a remediation certificate under section 117, any person who receives notice of the refusal as provided for in the regulations may submit a notice of appeal;
 - (m) where the Director designates an area as a contaminated site under section 125, any person who is directly affected by the designation may submit a notice of appeal;
 - (n) where the Director requires a person to pay an administrative penalty under section 237, the person to whom the notice is directed may submit a notice of appeal;
 - (o) where the Director refuses a request for confidentiality under section 35(5)(b), the person to whom the notice is directed under section 35(6) may submit a notice of appeal;
 - (p) persons authorized under Part 9 of the *Water Act*, in accordance with Part 9 of the *Water Act*.
- (2) Notwithstanding subsection (1)(b), where the Director refuses to issue an approval pursuant to an order of the Minister under

section 64, no notice of appeal may be submitted in respect of that refusal.

(3) Where an activity prescribed in the regulations for the purposes of this subsection is the subject of an approval and is carried out in stages, and where the Director issues an approval in respect of a stage, no notice of appeal may be submitted in respect of a stage that is already covered by the approval.

(4) A notice of appeal must be submitted to the Board

- (a) not later than 7 days after receipt of a copy of the enforcement order or the environmental protection order, in a case referred to in subsection (1)(e), (f) or (h),
- (b) not later than one year after receipt of a copy of the reclamation certificate, in a case referred to in subsection (1)(i) relating to the issuing of a reclamation certificate, and
- (c) not later than 30 days after receipt of notice of the decision appealed from or the last provision of notice of the decision appealed from, as the case may be, in any other case.

(5) The Board may, on application made before or after the expiry of the appeal period referred to in subsection (4), extend that period, where the Board is of the opinion that there are sufficient grounds for doing so.

(6) A notice of appeal submitted to the Board under this Act or in accordance with the *Water Act* must contain the information and be made in the manner provided for in the regulations.

(7) A notice of appeal initiates an appeal of the decision objected to.

Hearing of appeal

94(1) On receipt of a notice of appeal under this Act or under the *Water Act*, the Board shall conduct a hearing of the appeal.

(2) In conducting a hearing of an appeal under this Part, the Board is not bound to hold an oral hearing but may instead, and subject to the principles of natural justice, make its decision on the basis of written submissions.

(3) The Board may, with the consent of the parties to an appeal, make its decision under section 98 or its report to the Minister without conducting a hearing of the appeal.

1996 c17 s22;1998 c15 s9**Powers and duties of Board**

95(1) The Board has all the powers of a commissioner under the *Public Inquiries Act*.

(2) Prior to conducting a hearing of an appeal, the Board may, in accordance with the regulations, determine which matters included in notices of appeal properly before it will be included in the hearing of the appeal, and in making that determination the Board may consider the following:

- (a) whether the matter was the subject of a public hearing or review under Part 2 of the *Agricultural Operation Practices Act*, under the *Natural Resources Conservation Board Act* or under any Act administered by the Alberta Energy Regulator or the Alberta Utilities Commission and whether the person submitting the notice of appeal received notice of and participated in or had the opportunity to participate in the hearing or review;
- (b) whether the Government has participated in a public review in respect of the matter under the *Canadian Environmental Assessment Act* (Canada);
- (c) whether the Director has complied with section 68(4)(a);
- (d) whether any new information will be presented to the Board that is relevant to the decision appealed from and was not available to the person who made the decision at the time the decision was made;

(e) any other criteria specified in the regulations.

(3) Prior to making a decision under subsection (2), the Board may, in accordance with the regulations, give to a person who has submitted a notice of appeal and to any other person the Board considers appropriate, an opportunity to make representations to the Board with respect to which matters should be included in the hearing of the appeal.

(4) Where the Board determines that a matter will not be included in the hearing of an appeal, no representations may be made on that matter at the hearing.

(5) The Board

- (a) may dismiss a notice of appeal if
- (i) it considers the notice of appeal to be frivolous or vexatious or without merit,
 - (ii) in the case of a notice of appeal submitted under section 91(1)(a)(i) or (ii), (g)(ii) or (m) of this Act or section 115(1)(a)(i) or (ii), (b)(i) or (ii), (c)(i) or (ii), (e) or (r) of the *Water Act*, the Board is of the opinion that the person submitting the notice of appeal is not directly affected by the decision or designation,
 - (iii) for any other reason the Board considers that the notice of appeal is not properly before it,
 - (iv) the person who submitted the notice of appeal fails to comply with a written notice under section 92, or
 - (v) the person who submitted the notice of appeal fails to provide security in accordance with an order under section 97(3)(b),

and

- (b) shall dismiss a notice of appeal if in the Board's opinion
- (i) the person submitting the notice of appeal received notice of or participated in or had the opportunity to participate in one or more hearings or reviews under Part 2 of the *Agricultural Operation Practices Act*, under the *Natural Resources Conservation Board Act* or any Act administered by the Alberta Energy Regulator or the Alberta Utilities Commission at which all of the matters included in the notice of appeal were adequately dealt with, or

- (ii) the Government has participated in a public review under the *Canadian Environmental Assessment Act* (Canada) in respect of all of the matters included in the notice of appeal.

(6) Subject to subsections (4) and (5), the Board shall, consistent with the principles of natural justice, give the opportunity to make representations on the matter before the Board to any persons who the Board considers should be allowed to make representations.

(7) The Board shall discontinue its proceedings in respect of a notice of appeal if the notice of appeal is withdrawn.

(8) Subject to the regulations, the Board may establish its own rules and procedures for dealing with matters before it.

Costs

96 The Board may award costs of and incidental to any proceedings before it on a final or interim basis and may, in accordance with the regulations, direct by whom and to whom any costs are to be paid.

1992 cE-13.3 s88

Stay of decision

97(1) Subject to subsection (2), submitting a notice of appeal does not operate to stay the decision objected to.

(2) The Board may, on the application of a party to a proceeding before the Board, stay a decision in respect of which a notice of appeal has been submitted.

(3) Where an application for a stay relates to the issuing of an enforcement order or an environmental protection order or to a water management order or enforcement order under the *Water Act* and is made by the person to whom the order was directed, the Board may, if it is of the opinion that an immediate and significant adverse effect may result if certain terms and conditions of the order are not carried out,

- (a) order the Director under this Act or the Director under the *Water Act* to take whatever action the Director considers to be necessary to carry out those terms and conditions and to determine the costs of doing so, and
- (b) order the person to whom the order was directed to provide security in accordance with the regulations under this Act or under the *Water Act* in the form and amount the Board considers necessary to cover the costs referred to in clause (a).

(4) Notwithstanding subsections (1) and (2), the Environmental Appeals Board or any court shall not grant a stay with respect to a water management order respecting the administering priority under the *Water Act*.

Decision of Board

98(1) In the case of a notice of appeal submitted under section 91(1)(n) or (o) of this Act or a notice of appeal submitted under section 115(1)(j), (l) or (q) of the *Water Act*, the Board shall, within 30 days after the completion of the hearing of the appeal, make a written decision on the matter.

(2) In its decision, the Board may

- (a) confirm, reverse or vary the decision appealed and make any decision that the Director whose decision was appealed could make, and
- (b) make any further order the Board considers necessary for the purposes of carrying out the decision.

(3) On making its decision, the Board shall immediately

- (a) give notice of the decision to all persons who submitted notices of appeal or made representations to the Board and to all other persons who the Board considers should receive notice of the decision, and
- (b) make the written decision available in accordance with the regulations.

Report to Minister

99(1) In the case of a notice of appeal referred to in section 91(1)(a) to (m) of this Act or in section 115(1)(a) to (i), (k), (m) to (p) and (r) of the *Water Act*, the Board shall within 30 days after the completion of the hearing of the appeal submit a report to the Minister, including its recommendations and the representations or a summary of the representations that were made to it.

(2) The Minister may extend the 30-day period referred to in subsection (1) on application by the Board before or after the expiry of the period.

1992 cE-13.3 s91;1996 cW-3.5 s175;1998 c15 s9

Decision by Minister

100(1) On receiving the report of the Board, the Minister may, by order,

- (a) confirm, reverse or vary the decision appealed and make any decision that the person whose decision was appealed could make,
- (b) make any direction that the Minister considers appropriate as to the forfeiture or return of any security provided under section 97(3)(b), and
- (c) make any further order that the Minister considers necessary for the purpose of carrying out the decision.

(2) The Minister shall immediately give notice of any decision made under this section to the Board and the Board shall, immediately on receipt of notice of the decision, give notice of the decision to all persons who submitted notices of appeal or made representations or written submissions to the Board and to all other persons who the Board considers should receive notice of the decision.

Reconsideration by Board

101 Subject to the principles of natural justice, the Board may reconsider, vary or revoke any decision, order, direction, report, recommendation or ruling made by it.

1996 c17 s26

Privative clause

102 Where this Part empowers or compels the Minister or the Board to do anything, the Minister or the Board has exclusive and final jurisdiction to do that thing and no decision, order, direction, ruling, proceeding, report or recommendation of the Minister or the Board shall be questioned or reviewed in any court, and no order shall be made or process entered or proceedings taken in any court to question, review, prohibit or restrain the Minister or the Board or any of its proceedings.

1996 c17 s26

Publication of Board's report

103 On complying with section 100(2), the Board shall publish or otherwise make available the Board's report and recommendations, or a summary of them, and a notice of the Minister's decision in the manner the Board considers appropriate.

1992 cE-13.3 s93;1996 c17 s27

Filing of order

104 An order of the Board under section 96 or 97, a decision of the Board under section 98 and a decision of the Minister under section 100 may be filed with the clerk of the Court of Queen's Bench and, on filing, are enforceable as if they were judgments of the Court.

1996 c17 s28

Ministerial regulations**105** The Minister may make regulations

- (a) respecting the form and content of a notice of appeal;
- (b) respecting the conduct of proceedings before the Board;
- (c) determining what constitutes “hearing of the appeal” for the purposes of Part 4, including making different procedures applicable in that regard for the purposes of different provisions of Part 4;
- (d) prescribing the criteria to be considered by the Board in directing interim or final costs to be paid;
- (e) respecting the manner in which written decisions of the Board are to be made available for the purposes of section 98(3);
- (f) authorizing the Board to charge fees for services or materials provided by the Board or things done by the Board under this Act, and prescribing the amounts of those fees or the manner in which the amounts are to be determined;
- (g) generally, for regulating the conduct and work of the Board.

Lieutenant Governor in Council regulations**106** The Lieutenant Governor in Council may make regulations

- (a) respecting the appointment and membership of the Board and providing for the remuneration and travel and living expenses that are payable to members of the Board;
- (b) prescribing additional criteria to be considered by the Board for the purposes of section 95(2)(e);
- (c) prescribing the activities to which section 91(3) applies;
- (d) respecting financial or other security for the purposes of section 97(3)(b).

1992 cE-13.3 s95

Regulations under the Alberta Public Agencies**Governance Act prevail**

106.1 If regulations under the *Alberta Public Agencies Governance Act* apply in respect of the appointment or membership of the Board or remuneration or expenses referred to in section

106(a), those regulations prevail, to the extent of any conflict or inconsistency, over any regulations made under section 106(a).

Part 5 Release of Substances

Interpretation and application

107(1) In this Part,

- (a) “owner of a substance” means the owner of the substance immediately before or during the release of the substance;
- (b) “person having control of a substance” means the person having charge, management or control of the substance;
- (c) “person responsible for the contaminated site” means
 - (i) a person responsible for the substance that is in, on or under the contaminated site,
 - (ii) any other person who the Director considers caused or contributed to the release of the substance into the environment,
 - (iii) the owner of the contaminated site,
 - (iv) any previous owner of the contaminated site who was the owner at any time when the substance was in, on or under the contaminated site,
 - (v) a successor, assignee, executor, administrator, receiver, receiver-manager or trustee of a person referred to in any of subclauses (ii) to (iv), and
 - (vi) a person who acts as the principal or agent of a person referred to in any of subclauses (ii) to (v)

but does not include

- (vii) a municipality in respect of a parcel of land shown on its tax arrears list, unless after the date on which the municipality is entitled to possession of the parcel under section 420 of the *Municipal Government Act* or becomes the owner of the parcel under section 424 of that Act the municipality releases on that parcel a new or additional substance into the environment that may cause, is causing or has caused an adverse effect or aggravates the adverse effect of the release of a substance into the environment on that parcel, or

- (viii) a person who investigates or tests a parcel of land for the purpose of determining the environmental condition of that parcel, unless the investigation or test releases on that parcel a new or additional substance into the environment that may cause, is causing or has caused an adverse effect or aggravates the adverse effect of the release of a substance into the environment on that parcel.

- (2) Sections 110 to 112 apply only to releases of substances that are not authorized by an approval or the regulations.

1992 cE-13.3 s96;1994 c15 s36;1996 c30 s69

Division 1

Releases of Substances Generally

Prohibited release where approval or regulation

108(1) No person shall knowingly release or permit the release of a substance into the environment in an amount, concentration or level or at a rate of release that is in excess of that expressly prescribed by an approval, a code of practice or the regulations.

(2) No person shall release or permit the release of a substance into the environment in an amount, concentration or level or at a rate of release that is in excess of that expressly prescribed by an approval or the regulations.

(3) For the purposes of this section, if there is a conflict between an approval or a code of practice and the regulations as to an amount, concentration, level or rate of release of a substance, the most stringent requirement prevails.

RSA 2000 cE-12 s108;2003 c37 s15

Prohibited release where no approval or regulation

109(1) No person shall knowingly release or permit the release into the environment of a substance in an amount, concentration or level or at a rate of release that causes or may cause a significant adverse effect.

(2) No person shall release or permit the release into the environment of a substance in an amount, concentration or level or at a rate of release that causes or may cause a significant adverse effect.

(3) Subsections (1) and (2) apply only where the amount, concentration, level or rate of release of the substance is not authorized by an approval, a code of practice or the regulations.

(4) No person may be convicted of an offence under this section if that person establishes that the release was authorized by another enactment of Alberta or Canada.

RSA 2000 cE-12 s109;2003 c37 s16

Duty to report release

110(1) A person who releases or causes or permits the release of a substance into the environment that may cause, is causing or has caused an adverse effect shall, as soon as that person knows or ought to know of the release, report it to

- (a) the Director,
- (b) the owner of the substance, where the person reporting knows or is readily able to ascertain the identity of the owner,
- (c) any person to whom the person reporting reports in an employment relationship,
- (d) the person having control of the substance, where the person reporting is not the person having control of the substance and knows or is readily able to ascertain the identity of the person having control, and
- (e) any other person who the person reporting knows or ought to know may be directly affected by the release.

(1.1) Where

- (a) a person released or caused or permitted the release of a substance into the environment before September 1, 1993, and
- (b) the activity that resulted in the release was permanently discontinued before that date,

the person shall as soon as that person is aware that an adverse effect has occurred or is occurring in respect of that release, report the release to the persons specified in subsection (1).

(2) The person having control of a substance that is released into the environment that may cause, is causing or has caused an adverse effect shall, immediately on becoming aware of the release, report it to the persons referred to in subsection (1)(a), (b), (c) and (e) unless the person having control has reasonable grounds to believe that those persons already know of the release.

(3) A police officer or employee of a local authority or other public authority who is informed of or who investigates a release of a substance into the environment that may cause, is causing or has caused an adverse effect shall immediately notify the Director of the release unless the police officer or employee has reasonable grounds to believe that it has been reported by another person.

RSA 2000 cE-12 s110;2006 c15 s11

Manner of reporting

111(1) A person who is required to report to the Director pursuant to section 110 shall report in person, by telephone or by electronic means and shall include the following in the report, where the information is known or can be readily obtained by that person:

- (a) the location and time of the release;
- (b) a description of the circumstances leading up to the release;
- (c) the type and quantity of the substance released;
- (d) the details of any action taken and proposed to be taken at the release site;
- (e) a description of the location of the release and the immediately surrounding area.

(2) In addition to a report under subsection (1), the person shall report in writing where required by the regulations.

(3) A person who reports under subsections (1) and (2) shall give to the Director any additional information in respect of the release that the Director requires.

(4) A person who reports under subsection (1) or (2) shall comply with any additional requirements set out in the regulations.

RSA 2000 cE-12 s111;2003 c37 s17

Duty to take remedial measures

112(1) Where a substance that may cause, is causing or has caused an adverse effect is released into the environment, the person responsible for the substance shall, as soon as that person becomes aware of or ought to have become aware of the release,

- (a) take all reasonable measures to
 - (i) repair, remedy and confine the effects of the substance, and
 - (ii) remediate, manage, remove or otherwise dispose of the substance in such a manner as to prevent an adverse effect or further adverse effect,

and

- (b) restore the environment to a condition satisfactory to the Director.

(2) Where

- (a) a substance was released into the environment before September 1, 1993, and
- (b) the activity that resulted in the release was permanently discontinued before that date,

the person responsible for the substance shall as soon as that person is aware that the substance may cause, is causing or has caused an adverse effect, take the actions specified in subsection (1).

RSA 2000 cE-12 s112;2006 c15 s12

Environmental protection order for release

113(1) Subject to subsection (2), where the Director is of the opinion that

- (a) a release of a substance into the environment may occur, is occurring or has occurred, and
- (b) the release may cause, is causing or has caused an adverse effect,

the Director may issue an environmental protection order to the person responsible for the substance.

(2) Where the release of the substance into the environment is or was expressly authorized by and is or was in compliance with an approval, code of practice or registration or the regulations, the Director may not issue an environmental protection order under subsection (1) unless in the Director's opinion the adverse effect was not reasonably foreseeable at the time the approval or registration was issued, the code of practice was adopted or the regulations were made, as the case may be.

(3) An environmental protection order may order the person to whom it is directed to take any measures that the Director considers necessary, including, but not limited to, any or all of the following:

- (a) investigate the situation;
- (b) take any action specified by the Director to prevent the release;
- (c) measure the rate of release or the ambient concentration, or both, of the substance;
- (d) minimize or remedy the effects of the substance on the environment;
- (e) restore the area affected by the release to a condition satisfactory to the Director;

- (f) monitor, measure, contain, remove, store, destroy or otherwise dispose of the substance, or lessen or prevent further releases of or control the rate of release of the substance into the environment;
- (g) install, replace or alter any equipment or thing in order to control or eliminate on an immediate and temporary basis the release of the substance into the environment;
- (h) construct, improve, extend or enlarge the plant, structure or thing if that is necessary to control or eliminate on an immediate and temporary basis the release of the substance into the environment;
- (i) report on any matter ordered to be done in accordance with directions set out in the order.

(4) An environmental protection order may be issued under this section in respect of a substance released before, on or after September 1, 1993.

(5) Where

- (a) a substance was released into the environment before September 1, 1993, and
- (b) the activity that resulted in the release was permanently discontinued before that date,

the Director may issue an environmental protection order to the person responsible for the substance only if an adverse effect has occurred or is occurring.

RSA 2000 cE-12 s113;2003 c37 s18;2006 c15 s13

Emergency environmental protection order

114(1) Where an inspector, an investigator or the Director is of the opinion that

- (a) a release of a substance into the environment may occur, is occurring or has occurred, and
- (b) the release may cause, is causing or has caused an immediate and significant adverse effect,

the inspector, investigator or Director may issue an environmental protection order to the person responsible for the substance directing the performance of emergency measures that the inspector, investigator or Director considers necessary.

(2) Subsection (1) applies whether or not the release of the substance into the environment is or was expressly authorized by or

is or was in compliance with an approval, a registration or the regulations.

1992 cE-13.3 s103;1996 c17 s55

Emergency measures and notification

115(1) Where an inspector, an investigator or the Director is of the opinion that

- (a) a release of a substance into the environment may occur, is occurring or has occurred, and
- (b) the release may cause, is causing or has caused an immediate and significant adverse effect,

the inspector, investigator or Director may take any emergency measures that the inspector, investigator or Director considers necessary to protect human life or health or the environment.

(2) Subsection (1) applies whether or not the release of the substance into the environment is or was expressly authorized by and is or was in compliance with an approval, a code of practice, a registration or the regulations.

(3) The inspector, investigator or Director shall forthwith notify Alberta Public Safety Services, the local authority of the municipality in which the substance is located and the medical officer of health of the health unit or health region under the *Regional Health Authorities Act* in which the substance is located of the emergency measures taken under subsection (1).

RSA 2000 cE-12 s115;2003 c37 s19

Environmental protection orders re odour

116(1) Where the Director is of the opinion that a substance or thing is causing or has caused an offensive odour, the Director may issue an environmental protection order to the person responsible for the substance or thing.

(2) Subsection (1) does not apply in respect of an offensive odour that results from an agricultural operation that is carried out in accordance with generally accepted practices for such an operation or in respect of which recommendations under Part 1 of the *Agricultural Operation Practices Act* indicate that the agricultural operation follows a generally accepted agricultural practice.

(3) An environmental protection order under this section may order the person to whom it is directed to take any or all of the following measures:

- (a) investigate the situation;

- (b) take any action specified by the Director to prevent the offensive odour;
- (c) minimize or remedy the effects of the offensive odour;
- (d) monitor, measure, contain, remove, store, destroy or otherwise dispose of the substance or thing causing the offensive odour or lessen or prevent the offensive odour;
- (e) install, replace or alter any equipment or thing in order to control or eliminate the offensive odour;
- (f) construct, improve, extend or enlarge a plant, structure or thing if that is necessary to control or eliminate the offensive odour;
- (g) take any other action the Director considers to be necessary;
- (h) report on any matter ordered to be done in accordance with directions set out in the order.

RSA 2000 cE-12 s116;2001 c16 s6

Remediation certificates

117(1) The Director or an inspector may issue a remediation certificate in respect of land where

- (a) a release of a substance into the environment has occurred,
- (b) the release has caused, is causing or has the potential to cause an adverse effect, and
- (c) remediation of the land has been carried out in accordance with
 - (i) the terms and conditions of any applicable approval,
 - (ii) the terms and conditions of an environmental protection order made in respect of the release,
 - (iii) the directions of an inspector or the Director, or
 - (iv) this Act.

(2) Repealed 2006 c15 s14.

(3) An application for a remediation certificate must be made to the Director or an inspector in a form and manner acceptable to the Director or inspector.

- (3.1) The Director or an inspector may refuse to accept an application for a remediation certificate if, in the Director's or inspector's opinion, the application is not complete or not accurate.
- (3.2) The Director or an inspector may refuse to issue a remediation certificate where the applicant is indebted to the Government.
- (4) The Director or an inspector may issue or refuse to issue a remediation certificate, and may issue the remediation certificate subject to any terms and conditions the Director or inspector considers appropriate.
- (5) The Director or an inspector may
- (a) amend a term or condition of, add a term or condition to or delete a term or condition from a remediation certificate if the Director or inspector considers it appropriate to do so,
 - (b) cancel a remediation certificate issued in error,
 - (c) correct an error in a remediation certificate, or
 - (d) cancel a remediation certificate if any of the terms or conditions in the remediation certificate have not been complied with.

RSA 2000 cE-12 s117;2006 c15 s14

Effect of remediation certificate

118 Where a remediation certificate is issued, no environmental protection order requiring the doing of further work in respect of the same release of the same substance may be issued under this Act after the date prescribed or determined for the purposes of this section in accordance with the regulations.

Reclamation certificate unaffected

119 The issuing of a remediation certificate does not affect any person's obligation to obtain a reclamation certificate under this Act.

1996 c17 s30

Regulations

120 The Lieutenant Governor in Council may make regulations

- (a) respecting the procedure for the submission of applications for remediation certificates and the plans, specifications and other information that must accompany applications;

- (b) respecting the manner in which remediation is to be carried out;
- (c) respecting the establishment of standards or criteria to be used to determine whether remediation has been completed in a satisfactory manner;
- (d) respecting the provision to the Director or an inspector of information and reports relating to the remediation;
- (e) prescribing dates or the manner of determining dates for the purposes of section 118, generally or in respect of different classes of land or releases of substances;
- (f) respecting terms and conditions that may be contained in remediation certificates;
- (g) respecting the giving of notices for the purposes of section 117.

Ministerial regulations

121 The Minister may make regulations

- (a) classifying releases for the purposes of this Division and exempting any release or any class of release from the application of this Division, and attaching terms and conditions to any such exemption;
- (b) respecting the making of a report under section 111 and its contents and providing for the waiver of a requirement to make a report under section 111(2) where in the opinion of the Director no adverse effect is likely to occur as a result of the release or the adverse effect caused by the release has been adequately controlled.

RSA 2000 cE-12 s121;2003 c37 s20

Lieutenant Governor in Council regulations

122(1) The Lieutenant Governor in Council may make regulations

- (a) regulating and prohibiting the removal or rendering ineffective of any device, procedure or thing that reduces or prevents or is intended to reduce or prevent the release of any substance and that is attached or connected to or forms part of any thing;
- (b) respecting the measures, including levels of remedial requirements, that may be required in an environmental protection order for the purposes of section 113(3)(e), including the incorporation or adoption for that purpose of documents that set out restoration guidelines;

- (c) regulating the quantity and purity of water to be applied to land for the purpose of irrigation or watering of plant life if the water so applied may directly or indirectly cause an adverse effect;
- (d) regulating or prohibiting any use of land or any action in respect of land as a result of which any substance is released on or under any land, including land
 - (i) adjacent to or underlying a watercourse, or
 - (ii) adjacent to or overlying an aquifer;
- (e) prescribing the concentration, including the maximum concentration, of a substance that may be released into the environment;
- (f) prescribing the amount, including the maximum amount, of a substance that may be released into the environment;
- (g) prescribing the level, including the maximum level, of a substance that may be released into the environment;
- (h) prescribing the rate, including the maximum rate, at which a substance may be released into the environment;
- (i) respecting the method or type of method or instrument for measuring or determining
 - (i) the concentration of a substance released into the environment,
 - (ii) the weight of a substance released into the environment,
 - (iii) the rate of release of a substance into the environment, and
 - (iv) visible emissions;
- (j) prescribing the point at which a measurement pursuant to the regulations is to take place;
- (k) prescribing the maximum visible emissions permitted to be released;
- (l) establishing a program for the certification of visible emission readers, including regulations respecting
 - (i) the manner in which visible emission readers are taught and certified,

- (ii) the issuing, suspension and cancellation of certificates of qualification, and
- (iii) the regulation of the activities of visible emission readers;
- (m) generally, for the protection of the environment and the regulation of sources of substances.

(2) Before regulations are made under subsection (1)(e), (f), (g), (h) or (k), the Minister shall engage in any public consultation with respect to the proposed regulations that the Minister considers appropriate.

Division 2 Contaminated Sites

Application

123 This Division applies regardless of when a substance became present in, on or under the contaminated site.

1992 cE-13.3 s108

Non-recoverable costs

124 The Minister may establish programs and other measures the Minister considers necessary to pay for the costs of restoring and securing contaminated sites and the environment affected by contaminated sites in circumstances where a person responsible for the contaminated site cannot be identified or is unable to pay for the costs.

1992 cE-13.3 s109

Designation of contaminated sites

125(1) Where the Director is of the opinion that a substance that may cause, is causing or has caused a significant adverse effect is present in an area of the environment, the Director may designate an area of the environment as a contaminated site.

(2) Subsection (1) applies notwithstanding that any or all of the following may apply:

- (a) a reclamation certificate or remediation certificate has been issued in respect of the contaminated site;
- (b) an administrative or enforcement remedy has been pursued under this Act or under any other law in respect of the contaminated site;
- (c) the substance was released in accordance with this Act or any other law;

- (d) the release of the substance was not prohibited under this Act;
 - (e) the substance originated from a source other than the contaminated site.
- (3) The Director may cancel a designation of a contaminated site.
1992 cE-13.3 s110;1996 c17 s31

Notice of designation

126 The Director shall

- (a) give notice of the Director's decision to designate an area of the environment as a contaminated site to
 - (i) the owner of the contaminated site,
 - (ii) any of the other persons responsible for the contaminated site that the Director considers appropriate, and
 - (iii) the local authority of the municipality in which the contaminated site is located,
- and
- (b) provide notice of the Director's decision to designate an area of the environment as a contaminated site in accordance with the regulations.

1992 cE-13.3 s111;1994 c15 s39

Statement of concern

127(1) Any person who is directly affected by a designation of a contaminated site may submit to the Director a statement of concern setting out that person's concerns regarding the designation of the contaminated site and that person's recommendations on any remedial measures that should be taken with respect to the contaminated site.

(2) A statement of concern must be submitted

- (a) within 30 days after receipt of the notice under section 126(a) or the last provision of the notice under section 126(b), or
- (b) within any longer period allowed by the Director in the notice.

1992 cE-13.3 s112;1994 c15 s40

Remedial action plans and agreements

128(1) A person responsible for the contaminated site may

- (a) prepare for the approval of the Director a remedial action plan in respect of the contaminated site, and
 - (b) enter into an agreement with the Director, with other persons responsible for the contaminated site, or with both the Director and other persons responsible, providing for the remedial action to be taken in respect of the contaminated site and providing for the apportionment of the costs of taking that action.
- (2) An agreement under subsection (1)(b) to which the Director is not a party is not valid unless it is approved by the Director.
- (3) Where an agreement made under subsection (1)(b) is carried out in accordance with its terms, the Director may not issue an environmental protection order under section 129 to any of the persons responsible for the contaminated site who are parties to the agreement in respect of any matter that is provided for in the agreement.

1992 cE-13.3 s113

Environmental protection order re contaminated site

- 129(1)** Where the Director designates a contaminated site, the Director may issue an environmental protection order to a person responsible for the contaminated site.
- (2) In deciding whether to issue an environmental protection order under subsection (1) to a particular person responsible for the contaminated site, the Director shall give consideration to the following, where the information is available:
- (a) when the substance became present in, on or under the site;
 - (b) in the case of an owner or previous owner of the site,
 - (i) whether the substance was present in, on or under the site at the time that person became an owner;
 - (ii) whether the person knew or ought reasonably to have known that the substance was present in, on or under the site at the time that person became an owner;
 - (iii) whether the presence of the substance in, on or under the site ought to have been discovered by the owner had the owner exercised due diligence in ascertaining the presence of the substance before the owner became an owner, and whether the owner exercised such due diligence;

- (iv) whether the presence of the substance in, on or under the site was caused solely by the act or omission of another person, other than an employee, agent or person with whom the owner or previous owner has or had a contractual relationship;
 - (v) the price the owner paid for the site and the relationship between that price and the fair market value of the site had the substance not been present in, on or under it;
 - (c) in the case of a previous owner, whether that owner disposed of the owner's interest in the site without disclosing the presence of the substance in, on or under the site to the person who acquired the interest;
 - (d) whether the person took all reasonable care to prevent the presence of the substance in, on or under the site;
 - (e) whether a person dealing with the substance followed accepted industry standards and practice in effect at the time or complied with the requirements of applicable enactments in effect at the time;
 - (f) whether the person contributed to further accumulation or the continued release of the substance on becoming aware of the presence of the substance in, on or under the site;
 - (g) what steps the person took to deal with the site on becoming aware of the presence of the substance in, on or under the site;
 - (h) any other criteria the Director considers to be relevant.
- (3)** In issuing an environmental protection order under subsection (1), the Director shall give consideration to whether the Government has assumed responsibility for part of the costs of restoring and securing the contaminated site and the environment affected by the contaminated site pursuant to a program or other measure under section 124.
- (4)** An environmental protection order made under subsection (1) may
- (a) require the person to whom the order is directed to take any measures that the Director considers are necessary to restore or secure the contaminated site and the environment affected by the contaminated site, including, but not limited to, any or all of the measures specified in section 113,

- (b) contain provisions providing for the apportionment of the cost of doing any of the work or carrying out any of the measures referred to in clause (a), and
- (c) in accordance with the regulations, regulate or prohibit the use of the contaminated site or the use of any product that comes from the contaminated site.

1992 cE-13.3 s114;1994 c15 s41

Notice of environmental protection order

130 In addition to serving an environmental protection order issued under section 129 on the person to whom it is directed, the Director shall

- (a) give notice of the issuance of the order to the local authority of the municipality in which the contaminated site is located, and
- (b) provide notice of the issuance of the order in accordance with the regulations.

1992 cE-13.3 s115

Compensation

131 The Minister may

- (a) in accordance with any applicable regulations, or
- (b) in the absence of any applicable regulations, in the manner and amount the Minister considers appropriate

pay compensation to any person who suffers loss or damage as a direct result of the application of this Division.

1992 cE-13.3 s116

Ministerial regulations

132 The Minister may make regulations regulating and prohibiting the use of a contaminated site or the use of any product that comes from a contaminated site.

1992 cE-13.3 s117

Lieutenant Governor in Council regulations

133 The Lieutenant Governor in Council may make regulations

- (a) authorizing the payment of compensation by the Government for the purposes of section 131, including regulations respecting
 - (i) the circumstances under which compensation will be paid, and

- (ii) the manner in which a claim for compensation is assessed and made and the determination of the amount payable;
- (b) respecting the manner in which notice is to be provided under sections 126(b) and 130(b).

2012 cR-17.3 s88

Security by operator

135(1) If required by the regulations, an operator shall provide financial or other security and carry insurance in respect of the activity carried on by the operator on specified land.

(2) Subsection (1) does not apply to the Government or a Government agency.

1992 cE-13.3 s120

Reclamation inquiry

136 An inspector shall, when required to do so by the regulations, conduct a reclamation inquiry in accordance with the regulations.

1992 cE-13.3 s121

Duty to reclaim

137(1) An operator must

- (a) conserve specified land,
- (b) reclaim specified land, and
- (c) unless exempted by the regulations, obtain a reclamation certificate in respect of the conservation and reclamation.

- (2) Where this Act requires that specified land must be conserved and reclaimed, the conservation and reclamation must be carried out in accordance with
- (a) the terms and conditions in any applicable approval or code of practice,
 - (b) the terms and conditions of any environmental protection order regarding conservation and reclamation that is issued under this Part,
 - (c) the directions of an inspector or the Director, and
 - (d) this Act.

RSA 2000 cE-12 s137;2003 c37 s21

Issuance of reclamation certificate

138(1) An application for a reclamation certificate must be made by the operator to the Director or an inspector in the form and manner and within the time provided for in the regulations.

(1.1) The Director or an inspector may refuse to accept an application for a reclamation certificate if, in the Director's or inspector's opinion, the application is not complete and accurate.

(2) An inspector may refuse to issue a reclamation certificate where the applicant is indebted to the Government.

(3) An inspector may issue a reclamation certificate to the operator if the inspector is satisfied that the conservation and reclamation have been completed in accordance with section 137(2).

(4) An inspector may issue a reclamation certificate with respect to all or only a part of the specified land, and in the latter case section 137 continues to apply with respect to the remaining specified land.

(5) An inspector may issue a reclamation certificate subject to any terms and conditions the inspector considers appropriate.

(6) An approval in respect of an activity on specified land expires on the date that the final reclamation certificate is issued under this Part unless the approval specifies a different expiry date.

RSA 2000 cE-12 s138;2003 c37 s22

Amendment and cancellation of certificate

139(1) The Director or an inspector may

- (a) amend a term or condition of, add a term or condition to or delete a term or condition from a reclamation certificate if the Director or the inspector considers it appropriate to do so,

- (b) cancel a reclamation certificate issued in error,
- (c) cancel a reclamation certificate where no reclamation inquiry was conducted prior to the issuance of the certificate and the Director or the inspector is of the opinion that further work may be necessary to conserve and reclaim the specified land to which the certificate relates, or
- (d) correct a clerical error in a reclamation certificate.

(2) The Director or the inspector shall promptly give notice of any amendment, addition, deletion or cancellation to the same persons to whom a copy of the original reclamation certificate was given under section 145.

(3) Where a reclamation certificate is cancelled under this section, then for the purposes of this Part it is considered never to have been issued.

RSA 2000 cE-12 s139;2003 c37 s23

Environmental protection order

140 Subject to any applicable approval or code of practice and the regulations, an inspector may

- (a) at any time before the issuance of a reclamation certificate in a case where the operator is required to obtain a reclamation certificate, or
- (b) at any time, in a case where the operator is not required to obtain a reclamation certificate,

issue an environmental protection order regarding conservation and reclamation to an operator directing the performance of any work or the suspension of any work if in the inspector's opinion the performance or suspension of the work is necessary in order to conserve and reclaim specified land.

RSA 2000 cE-12 s140;2003 c37 s24

Environmental protection order re off-site damage

141 Where an inspector is satisfied that an operator

- (a) has done or permitted to be done anything that has caused an adverse effect in a location other than the specified land in respect of which the operator is or was carrying on an activity, or
- (b) has caused or allowed a substance to leave or escape from the specified land in respect of which the operator is or was carrying on an activity,

the inspector may issue an environmental protection order regarding conservation and reclamation to the operator in accordance with the regulations.

1992 cE-13.3 s126;1994 c15 s46

Environmental protection order after reclamation certificate

142(1) If, after a reclamation certificate has been issued, an inspector is of the opinion that further work is necessary to conserve and reclaim the specified land and the work relates to matters that were not apparent at the time the reclamation certificate was issued, the inspector may

- (a) issue an environmental protection order regarding conservation and reclamation to
 - (i) the person to whom the reclamation certificate was issued,
 - (ii) a successor, assignee, executor, administrator, receiver, receiver-manager or trustee of a person referred to in subclause (i), or
 - (iii) a person who acts as principal or agent of a person referred to in subclause (i) or (ii)

directing the performance of any work that the inspector considers necessary to conserve and reclaim the specified land, or

- (b) carry out any work that the inspector considers necessary to conserve and reclaim the specified land.

(2) No environmental protection order regarding conservation and reclamation may be issued under this section

- (a) in any case where the reclamation certificate in respect of the specified land was issued under the *Land Surface Conservation and Reclamation Act*, RSA 1980 cL-3, or
- (b) in any other case, after the date prescribed or determined in accordance with the regulations for the purposes of this section with respect to different classes of specified land set out in the regulation.

(3) The costs of carrying out work under subsection (1)(b) are the responsibility of the Government.

RSA 2000 cE-12 s142;2003 c37 s25

Emergency environmental protection order

143 Where an inspector is of the opinion that an immediate and significant adverse effect may occur, is occurring or has occurred

on specified land as a result of the carrying on of an activity on or in respect of specified land, the inspector may issue an environmental protection order to the operator directing the suspension of any work on the specified land.

1992 cE-13.3 s128

No surrender or termination without reclamation certificate

144(1) Notwithstanding anything in any other Act or any surface lease or right of entry order,

- (a) no surrender of a surface lease is effective or binding on any person, and
- (b) no expropriation board shall order the termination of a right of entry order

insofar as the surrender or termination relates to any interest of the registered owner, until a reclamation certificate has been issued in respect of the specified land affected by the surrender or termination.

(2) Subsection (1), insofar as it relates to right of entry orders, applies only to

- (a) right of entry orders pertaining to transmission lines in effect after August 15, 1978, and
- (b) right of entry orders of any other kind, where the lease or order is in effect on or after June 1, 1963.

(3) Notwithstanding subsection (1), an expropriation board may order the termination of a right of entry order without a reclamation certificate in any case where

- (a) the parties to the right of entry order have entered into a surface lease with respect to the specified land affected by the order and have requested the termination,
- (b) the specified land affected by the right of entry order has been acquired or expropriated by the Government or by a local authority, or
- (c) the expropriation board is satisfied that the operator has not exercised any rights under the right of entry order.

(4) The surrender or termination of a surface lease or right of entry order as to all or any part of the specified land in respect of which a reclamation certificate is issued is not affected by an appeal under section 91(1)(i).

1992 cE-13.3 s129

Copies of orders and certificates

145 Where an environmental protection order regarding conservation and reclamation or a reclamation certificate is issued under this Part, in addition to giving a copy of the order or certificate to the operator, the person issuing the order or certificate

- (a) shall give a copy of the order or certificate to the owner of the land concerned, and
- (b) may give a copy of the certificate to any other person whom the person issuing the certificate considers to be directly affected by the activity to which the certificate relates.

1992 cE-13.3 s130;1994 c15 s47

Lieutenant Governor in Council regulations

146 The Lieutenant Governor in Council may make regulations

- (a) respecting the manner in which and the time within which specified land must be conserved and reclaimed;
- (b) respecting the establishment of standards or criteria to be used to determine whether conservation and reclamation have been completed in a satisfactory manner, including, without limitation, the standard of reclamation of specified land to its equivalent capability;
- (c) respecting the manner in which any kind of activity on or in respect of specified land may or must be conducted for purposes in connection with or incidental to the conservation and reclamation of the land;
- (d) requiring and governing the suspension of work that is necessary in order to conserve and reclaim specified land;
- (e) respecting the number and kinds of inspectors who may conduct a reclamation inquiry;
- (f) providing for procedures respecting the conduct of reclamation inquiries;
- (g) respecting financial or any other security to be given or insurance to be carried by operators or classes of operators;
- (h) repealed 2006 c15 s17;
- (i) requiring an operator to give notice of the suspension of or cessation of an activity on or in respect of specified land, and respecting the time at which and the manner in which that notice must be given;

- (j) defining “specified land” for the purposes of this Part;
- (k) exempting operators or activities or classes of operators or activities from the requirement for a reclamation certificate;
- (l) providing for the issuing of different classes of reclamation certificates;
- (m) respecting the terms and conditions that may be contained in an environmental protection order regarding conservation and reclamation and in a reclamation certificate;
- (n) respecting the procedure for the submission of applications for reclamation certificates, the form and content of applications and the plans and specifications that must accompany applications;
- (n.1) respecting the procedure for the submission of applications for records of progressive reclamation, the form and content of applications and the plans and specifications that must accompany applications;
- (n.2) respecting the terms and conditions that may be placed on a record of progressive reclamation;
- (n.3) respecting any restrictions on the issuance of an environmental protection order under section 140 where a record of progressive reclamation has been issued;
- (o) prescribing dates or the manner of determining dates for the purposes of section 142(2)(b), generally or in respect of different classes of specified land or activities;
- (p) respecting the payment of remuneration and expenses to local authorities for services provided by inspectors who are designated under section 25(3)(c) and are exercising authority under Part 6 in the municipality in respect of which they are designated.

Part 7

Potable Water

Definitions

147 In this Part,

- (a) “disinfection” means a process that has as its objective destroying or inactivating pathogenic micro-organisms in water;

- (b) “person responsible for a waterworks system” means
- (i) the owner of the waterworks system,
 - (ii) the operator of the waterworks system,
 - (iii) the local authority that contracts to obtain potable water from the waterworks system,
 - (iv) the local authority that grants a franchise for the supply of potable water by the waterworks system,
 - (v) any successor, assignee, executor or administrator, receiver, receiver-manager or trustee of a person referred to in subclause (i), (ii), (iii) or (iv), and
 - (vi) any person who acts as principal or agent of a person referred to in subclause (i), (ii), (iii), (iv) or (v).

1992 cE-13.3 s140

Release of substances prohibited

148 No person shall release a substance or permit the release of a substance into any part of a waterworks system

- (a) that causes or may cause the potable water supplied by the system to be unfit for any of its intended uses, or
- (b) that causes or may cause the concentration of the substance or of any other substance in the potable water supplied by the system to vary from the specified concentration for the substance set out in any applicable approval or code of practice or the regulations.

RSA 2000 cE-12 s148;2003 c37 s27

Duty of person responsible

149 The person responsible for a waterworks system shall ensure that the potable water supplied by the system does not contain a substance in a concentration that varies from the specified concentration for the substance set out in any applicable approval or the regulations.

1992 cE-13.3 s142

Environmental protection order

150(1) Notwithstanding that an approval or registration has been issued or that the approval holder is in compliance with the terms and conditions of the approval or the registration holder is in compliance with a code of practice, the Director may issue an environmental protection order to the person responsible for a waterworks system where the Director is of the opinion that the waterworks system is being operated or maintained in a manner that

- (a) may cause, is causing or has caused the potable water supplied by that system to be unfit for any of its intended uses, or
- (b) may cause, is causing or has caused the concentration of a substance in the potable water supplied by that system to vary from the specified concentration for the substance set out in any applicable approval or code of practice or the regulations.

(2) An environmental protection order may order the person responsible for the waterworks system to take any or all of the following measures:

- (a) to construct, improve, extend or enlarge the waterworks system or any part of the waterworks system or to install, replace, repair or alter any equipment or thing relating to the waterworks system;
- (b) to operate or maintain the waterworks system according to any terms and conditions that the Director considers necessary;
- (c) to take any other action the Director considers necessary to protect or restore the quality of the potable water;
- (d) to report on any matter relating to the construction or operation of the waterworks system.

RSA 2000 cE-12 s150;2003 c37 s28

Emergency environmental protection order

151 Where an inspector, an investigator or the Director is of the opinion that any potable water supplied by a waterworks system may cause, is causing or has caused an immediate and significant adverse effect on human life or health, the inspector, investigator or Director may issue an environmental protection order to the person responsible for the waterworks system directing the performance of emergency measures that the inspector, investigator or Director considers necessary.

1992 cE-13.3 s144

Emergency measures

152 Where an inspector, an investigator or the Director is of the opinion that any potable water supplied by a waterworks system may cause, is causing or has caused an immediate and significant adverse effect on human life or health, the inspector, investigator or Director may take any emergency measures the inspector, investigator or Director considers necessary to protect human life or health.

RSA 2000 cE-12 s152;2003 c37 s29

Ministerial regulations

153 The Minister may make regulations

- (a) defining “industrial development”, “municipal development”, “privately owned development”, “watering point” and “private utility” for the purposes of this Act;
- (b) prescribing substances for the purposes of this Part and providing for the establishment of specified concentrations for those substances in potable water;
- (c) prescribing methods for determining the concentration of a substance in potable water;
- (d) governing the design, construction, maintenance or operation of
 - (i) any type of waterworks system or part of a waterworks system, or
 - (ii) any equipment, device or apparatus used in connection with any type of waterworks system;
- (e) governing the purity of potable water;
- (f) governing and prohibiting the manufacture, sale or use of any equipment, process, chemical, substance or thing to be used in the treatment or disinfection of potable water.

Part 8 Hazardous Substances and Pesticides

Definitions

154 In this Part,

- (a) “apply” includes deposit, add, emit and discharge;
- (b) “certificate of registration” means a certificate issued under the authority of the *Pest Control Products Act* (Canada) or the *Fertilizers Act* (Canada) indicating that a substance is registered under either of those Acts;
- (c) “extermination”, with respect to a pest, means the destruction, prevention or control of the pest by means of a pesticide;
- (d) “label” means, with respect to a pesticide, a label within the meaning of the *Pest Control Products Act* (Canada) or the *Fertilizers Act* (Canada);

- (e) “sell” includes keep for sale, display for sale, offer for sale and advertise for sale.

1992 cE-13.3 s147

Division 1 Hazardous Substances and Pesticides Generally

Storing and handling

155 A person who keeps, stores or transports a hazardous substance or pesticide shall do so in a manner that ensures that the hazardous substance or pesticide does not directly or

indirectly come into contact with or contaminate any animals, plants, food or drink.

1992 cE-13.3 s148

Environmental protection order regarding contaminated matter

156 Where the Director is of the opinion that any crop, food, feed, animal, plant, water, produce, product or other matter has been or may be contaminated by a hazardous substance or pesticide, the Director may issue an environmental protection order

- (a) to any person prohibiting or restricting, either permanently or for any length of time the Director considers necessary, the sale, handling, use or distribution of the crop, food, feed, animal, plant, water, produce, product or other matter;
- (b) to any person ordering the crop, food, feed, animal, plant, water, produce, product or other matter to be destroyed, decontaminated or otherwise rendered harmless;
- (c) to any person requiring the replacement of the hazardous substance or pesticide with another substance;
- (d) to the seller of the hazardous substance or pesticide requiring the seller to accept the return of the hazardous substance or pesticide;
- (e) to any person requiring the taking of any other measures with regard to the hazardous substance or pesticide that the Director considers appropriate in order to protect human life or health or the environment.

1992 cE-13.3 s149

Sale or distribution prohibited

157 No person shall sell or distribute any crop, food, feed, animal, plant, water, produce, product or other matter

- (a) that contains a hazardous substance or pesticide in excess of the permissible concentrations as established by this Act, the *Food and Drugs Act* (Canada) or the *Pest Control Products Act* (Canada), or
- (b) that the person knows or ought reasonably to know has been contaminated by a hazardous substance or pesticide.

1992 cE-13.3 s150

Environmental protection order

158(1) Where the Director is of the opinion that the manufacture, use, handling, transportation, storage, sale, disposal or application of a hazardous substance or pesticide may cause, is causing or has caused an adverse effect, the Director may, subject to subsection (2), issue an environmental protection order to the person responsible for the hazardous substance or pesticide.

(2) Where the manufacture, use, handling, transportation, storage, sale, disposal or application of the hazardous substance or pesticide is expressly authorized by an approval or registration, the Director may issue an environmental protection order under subsection (1) only if, in the Director's opinion, the adverse effect was not reasonably foreseeable at the time the approval or registration was issued.

1992 cE-13.3 s151;1996 c17 s55

Contents of environmental protection order

159 An environmental protection order under section 158 may order the person to whom it is directed to do any or all of the following:

- (a) to stop, limit or control the manufacture, application or release of the hazardous substance or pesticide into the environment
 - (i) permanently, or
 - (ii) for a specified period of timein the circumstances set out in the environmental protection order;
- (b) to comply with any directions of the Director relating to the manner in which the hazardous substance or pesticide or any thing in which the hazardous substance or pesticide is or was contained may be used, handled, transported, stored, sold, manufactured or disposed of;
- (c) to comply with any directions of the Director with regard to the clean-up of the hazardous substance or pesticide or

the clean-up or restoration of any site affected by the hazardous substance or pesticide.

1992 cE-13.3 s152

Emergency environmental protection order

160 Where an inspector, an investigator or the Director is of the opinion that an immediate and significant adverse effect may occur, is occurring or has occurred as a result of the manufacture, use, handling, transportation, storage, sale, disposal or application of a hazardous substance or pesticide, the inspector, investigator or Director may issue an environmental protection order to the person responsible for the hazardous substance or pesticide directing the performance of emergency measures that the inspector, investigator or Director considers necessary.

1992 cE-13.3 s153

Ministerial regulations

161 The Minister may make regulations

- (a) generally, for carrying out the purposes of this Part regarding information on and assessment of hazardous substances;
- (b) classifying hazardous substances for the purposes of this Act;
- (c) respecting the quantity or concentration of a hazardous substance that may be released into the environment either alone or in combination with any other substance from any source;
- (d) respecting the manner and conditions under which a hazardous substance may be released into the environment, either alone or in combination with any other substance;
- (e) respecting the manner in which and the conditions under which a hazardous substance may be collected, stored, handled, treated, disposed of or transported or offered for transport;
- (f) requiring and respecting the submission to the Minister of information relating to a hazardous substance;
- (g) respecting the conducting of sampling, analyses, tests, measurements or monitoring of a hazardous substance and the submission of the results to the Minister;
- (h) requiring and respecting the submission of samples of a hazardous substance to the Minister;

- (i) respecting circumstances or conditions under which the Minister may, for the administration of this Part, modify
 - (i) any requirement of the regulations for sampling, analyses, tests, measurements or monitoring, or
 - (ii) the methods and procedures specified in the regulations for conducting any required sampling, analyses, tests, measurements or monitoring;
- (j) requiring manufacturers, distributors or sellers to recall products or materials containing a hazardous substance.

1992 cE-13.3 s154;1994 c15 s52

Lieutenant Governor in Council regulations

162 The Lieutenant Governor in Council may make regulations

- (a) designating anything as a hazardous substance for the purposes of this Act;
- (b) respecting the places or areas where a hazardous substance may be released into the environment;
- (c) respecting commercial, manufacturing or processing undertakings in the course of which a hazardous substance may be released into the environment;
- (d) respecting the quantity of a hazardous substance that may be imported into Alberta or that may be manufactured, processed, used or sold;
- (e) respecting the purposes for which a hazardous substance or a product containing the hazardous substance may be imported into Alberta or may be manufactured, processed, used or sold;
- (f) respecting and prohibiting the importation into Alberta or the manufacturing, processing, use or sale of a hazardous substance or a product containing a hazardous substance;
- (g) respecting the quantity or concentration in which a hazardous substance may be used;
- (h) respecting the quantity or concentration of a hazardous substance that may be contained in any product that is imported into Alberta or that is manufactured, processed, used or sold;
- (i) respecting the packaging and labelling of a hazardous substance;

- (j) providing for any other matter that is necessary to carry out the purposes of this Part.

1992 cE-13.3 s155

Division 2 Pesticides

Prohibitions re sale, use and disposal

163(1) Subject to subsection (2), no person shall

- (a) sell, distribute, use, apply, handle, store or transport a pesticide,
- (b) operate or clean any machinery, equipment, vehicle, aircraft or vessel used in connection with the sale, distribution, use, application, handling, storage or transportation of a pesticide, or
- (c) use or clean a pesticide container

except in accordance with the regulations with respect to that pesticide and the label for that pesticide.

(2) If there is a conflict between any applicable provision of the regulation and the provision on the label referred to in subsection (1), the most stringent provision prevails.

(3) No person shall dispose of a pesticide, a mixture containing a pesticide, a thing that is treated or contaminated with a pesticide or a container that has been used to hold a pesticide in a manner other than the manner prescribed in the regulations.

1992 cE-13.3 s156;1996 c17 s37

Information on alternatives

164 Where under the regulations an approval or registration is required in respect of the use or application of a pesticide, the Director may require the applicant for the approval or registration to submit information justifying the use or application of the pesticide where, in the opinion of the Director, there are alternative pest control methods that could be used.

1992 cE-13.3 s157;1996 c17 s55

Ministerial regulations

165 The Minister may make regulations classifying pesticides for the purposes of this Part and the regulations under section 166.

1992 cE-13.3 s158

Lieutenant Governor in Council regulations

166 The Lieutenant Governor in Council may make regulations

- (a) designating substances as pesticides for the purposes of this Act;
- (b) governing and prohibiting the sale, use, application, distribution, packaging, storage, handling and transportation of pesticides;
- (c) requiring that any pesticide be registered before being sold, supplied or used and respecting the manner in which those pesticides are to be registered;
- (d) respecting the submission to the Minister of information relating to pesticides;
- (e) respecting and prohibiting the importation of a pesticide into Alberta, whether or not the pesticide is registered under the *Pest Control Products Act* (Canada) or under the laws of another jurisdiction;
- (f) prescribing the forms of notices to be given and the procedures to be followed in
 - (i) the carrying out of exterminations in buildings, structures or vehicles, and
 - (ii) the carrying out of any activity respecting the application of a pesticide for which an approval or registration is required;
- (g) respecting the labelling of pesticides and pesticide containers;

(4) The management board or other body referred to in subsection (1) may be a participant under section 40 of the *Financial Administration Act* on behalf of the industry operated recycling fund.

(5) Investment income earned on deposits of an industry operated recycling fund accrues to and forms part of the fund.

(6) Salaries, fees and other overhead costs incurred in the administration of an industry operated recycling fund shall be paid out of the fund.

Collection and recovery of designated material

173 A person who manufactures or distributes a designated material for sale in Alberta and a retailer shall, in accordance with the regulations, provide in Alberta depots and other methods for the collection and recovery of the designated material.

1992 cE-13.3 s166

Security

174(1) If required by the regulations, a manufacturer or distributor of a designated material for sale in Alberta and a retailer shall provide financial or other security and carry insurance in respect of its operations in Alberta related to the manufacture, distribution or sale of the designated material.

(2) Subsection (1) does not apply to the Government or a Government agency.

1992 cE-13.3 s167

Lieutenant Governor in Council regulations

175 The Lieutenant Governor in Council may make regulations

- (a) further defining “retailer” and defining “waste minimization” for the purposes of this Division;
- (b) designating designated material for the purposes of this Act and creating different classes of designated material for different purposes;
- (c) prohibiting the manufacture, sale or distribution of specified designated material;
- (d) providing for a system of registration of persons who distribute or wish to distribute a designated material in Alberta and retailers, and respecting requirements for registration and all matters related to the system of registration;
- (e) respecting terms and conditions that must be met by a person in order to distribute a designated material in Alberta and a retailer;
- (f) respecting the form and amount of financial or other security to be given and insurance to be carried by a manufacturer or distributor of designated material for sale in Alberta or by a retailer;
- (g) respecting the manner in which and the conditions under which any security given by a manufacturer or distributor of designated material for sale in Alberta or by a retailer may be forfeited or returned, in whole or in part;

- (h) requiring the development and implementation of a waste minimization, recycling or recovery plan for designated material by manufacturers or distributors of the designated material or by any other person;
- (i) requiring that designated material be recycled;
- (j) respecting methods for the recovery of designated material;
- (k) respecting surcharges for the purposes of sections 170, 171 and 172, including, without limitation, regulations establishing or providing for the manner of establishing the classes of designated material for which surcharges are payable, prescribing the amount of a surcharge or the method of determining it and providing for the manner in which and the times at which surcharges are to be collected, paid or refunded;
- (l) respecting the advertising of surcharges;
- (m) requiring manufacturers, distributors or retailers of designated material to collect the designated material and specifying the manner in which the collection is to be carried out;
- (n) requiring a local authority to provide a collection system for designated material;
- (o) respecting the manner in which designated material is to be stored, collected, transported, processed, recycled and disposed of;
- (p) respecting the establishment and operation of depots, including the qualifications of persons who may operate them;
- (q) respecting the amount and kind of designated material a retailer is required to accept at the retailer's place of business for recycling;
- (r) specifying designated material for which payment must be made by a retailer or depot operator on its return for recycling;
- (s) requiring a retailer or depot operator to pay for designated material returned for recycling;
- (t) specifying the amount that a retailer or depot operator is to pay for designated material returned for recycling;

- (u) requiring manufacturers or distributors to pay depot operators and retailers in respect of the collection of designated material and prescribing the amount of the payments or the manner in which they are to be calculated;
- (v) authorizing and respecting the payment of fees or commissions to manufacturers, distributors and retailers in respect of the collection, transportation, storage, processing, recycling and disposal of designated material;
- (w) respecting the completion, filing, retention, use and disposition of recycle docket for the purposes of section 169, and of any other documents used under this Division;
- (x) exempting any person from the application of all or part of section 169;
- (y) requiring the keeping of records in respect of designated material and surcharges, including who must keep them and the manner in which they must be kept and what they must contain, requiring the submission of those records to the Director and providing for the inspection of those records by the Director;
- (z) respecting the provision of information, reports and returns in respect of designated material and surcharges, including what information, reports and returns must be provided, who must provide them, the person to whom they must be provided and the manner in which and the times at which they must be provided;
- (aa) respecting the establishment, operation, transfer and winding-up of industry operated recycling funds and respecting the manner in which and the purposes for which money in such a fund may be used;
- (bb) prohibiting the distribution of a designated material where no industry operated recycling fund has been established in respect of that designated material;
- (cc) governing the packaging and labelling of designated material;
- (dd) governing the post-consumer waste content of commodities;
- (ee) respecting and prohibiting the use of packaging materials including, without limitation, regulations

- (i) imposing requirements on manufacturers and distributors of commodities with respect to the type, size and composition of packaging that may or must be used and with respect to the disposal of packaging,
- (ii) to reduce or mitigate the adverse effects created by packaging,
- (iii) to establish measures to encourage source reduction and reuse and recycling of packaging, and
- (iv) to establish standards and codes with respect to packaging and labelling of commodities;
- (ff) designating any thing as a hazardous recyclable for the purposes of this Act, including designating classes of hazardous recyclables;
- (gg) respecting the design, location, establishment, construction, operation and reclamation of facilities for recycling hazardous recyclables;
- (hh) respecting the importation, storage, collection, transportation, treatment and recycling of hazardous recyclables;
- (ii) respecting the recycling of hazardous recyclables and how hazardous recyclables are to be dealt with when they are no longer recyclable and must be treated as hazardous waste;
- (jj) providing for the establishment of a management board or other body, whether as a corporation or otherwise, for any purpose in connection with a regulation under this section;
- (kk) authorizing a management board or other body established under regulations under clause (jj) to make bylaws, and respecting the subject-matters on which those bylaws may be made.

Division 2

Waste

General prohibition

176 No person shall dispose of waste except

- (a) at a waste management facility, or in a container the contents of which will be taken to a waste management

facility, that is the subject of the appropriate approval, registration or notice required under this Act, or

- (b) in accordance with the written authorization of the Director.

1996 c17 s40;1998 c15 s19

Deemed disposal

177 For the purposes of sections 178 to 182, waste is deemed to be disposed of on public land, on a highway, on land owned or administered by a local authority, on land owned by another person or on, into or under water or ice, as the case may be, if the waste is in another location and by natural forces moves or is moved to the public land, highway, land owned or administered by the local authority, land owned by another person or on, into or under the water or ice.

1998 c15 s20

Waste on public land

178 No person shall dispose of waste on public land except

- (a) in a container placed for the purpose of collecting it, or
- (b) in accordance with the *Forest and Prairie Protection Act*, the regulations under that Act and the regulations under this Act.

1992 cE-13.3 s169

Waste on highways

179(1) No person shall dispose of waste on a highway except in a container placed for the purpose of collecting it.

(2) No person shall transport waste in or on a vehicle on a highway unless the waste is adequately contained, secured or covered to prevent it from falling off or being blown off the vehicle while being transported.

(3) If waste is disposed of from a vehicle other than a bus or taxi and it cannot be determined which of 2 or more occupants of the vehicle transporting the waste is responsible for the disposal, the operator of the vehicle is deemed to be the person who disposed of the waste.

(4) If waste is disposed of from a vehicle other than a bus or taxi and it cannot be determined who is the operator of the vehicle transporting the waste, the owner of the vehicle is deemed to be the person who disposed of the waste unless the owner proves to the satisfaction of a court that at the time of the offence the vehicle was not being operated or parked or left by the owner or by any other person with the owner's consent, express or implied.

1992 cE-13.3 s170

Waste on land owned by local authority

180 No person shall dispose of waste on any land owned or administered by a local authority except

- (a) at a waste management facility that is constructed and operated in accordance with this Act,
 - (b) through a refuse disposal system established by a local authority,
 - (c) in a container placed for the purpose of collecting waste,
 - (d) by burning the waste
 - (i) in accordance with a permit, licence or other consent issued by a local authority, or
 - (ii) pursuant to an approval or registration under this Act,
- or
- (e) in any other manner specified in the regulations.

1992 cE-13.3 s171;1996 c17 s41

Waste on water or ice

181 No person shall dispose of waste on, into or under water or ice except in accordance with an approval, a code of practice or a registration or as otherwise provided for under this Act.

RSA 2000 cE-12 s181;2003 c37 s30

Waste on another person's land

182 No person shall dispose of waste on any land owned by another person unless the owner of that land agrees to the disposal of the waste on the land.

1992 cE-13.3 s173

Environmental protection order to clean up unsightly property

183(1) If an inspector or investigator considers any property when viewed from a highway to be unsightly property, the inspector or investigator may issue an environmental protection order to clean up the unsightly property.

- (2)** The environmental protection order shall be directed to
- (a) the registered owner, or
 - (b) the person in control

of the property that is the subject of the environmental protection order.

(3) The environmental protection order may require the person to whom it is directed to do any or all of the following within a period of time specified in the order, which must not be more than 60 days from the date of the making of the order:

- (a) remedy the condition of the property in the manner and to the extent directed in the order;
- (b) demolish or remove any waste causing or contributing to the unsightliness of the property;
- (c) construct any thing to prevent the property from being visible from a highway;
- (d) do any other thing to remedy the unsightliness of the property.

1992 cE-13.3 s174;1994 c15 s55

Liability of local authority for costs of cleaning up

184(1) When an environmental protection order under section 183 is issued in respect of land that is located in a municipality and the person to whom it is directed fails to comply with the order, the Director may, in writing, direct the local authority of that municipality to perform any work required under the order.

(2) When expenses are incurred by a local authority for any work performed as a result of a direction by the Director under subsection (1), the local authority may serve a statement of the expenses, together with a demand for payment,

- (a) in the case of occupied land, on the occupant and on the registered owner of the land, or
- (b) in the case of unoccupied land, on the registered owner of the land.

(3) A copy of the statement of expenses and demand for payment that is served pursuant to subsection (2) shall be served on the council of the local authority in a case where the local authority is a city, town, village, summer village or municipal district or a settlement under the *Metis Settlements Act*.

1992 cE-13.3 s175;1994 cM-26.1 s642(22);1995 c24 s99(4)

Collection of expenses as taxes

185 If the person on whom the statement of expenses and demand for payment are served fails to pay the amount set out in the statement within 30 days, the local authority may cause the amount paid by it to be placed on the tax roll as an additional tax against the land concerned and the amount may be collected in the same manner as taxes are collected.

1992 cE-13.3 s176

Review of environmental protection order to clean up

186(1) Where an environmental protection order is issued under section 183, the person to whom the order is directed may submit a request to the local authority of the municipality in which the property is located for a review of the order.

(2) A request for review must be made in writing within 21 days after the date the person requesting the review receives the order.

(3) A request for review shall be heard by a committee appointed by

- (a) the Minister responsible for the *Municipal Government Act*, where the land concerned is located in an improvement district,
- (b) the Minister responsible for the *Special Areas Act*, where the land concerned is located in a special area, or
- (c) the council of the local authority where the land concerned is located in a municipality that is a city, town, village, summer village or municipal district or a settlement under the *Metis Settlements Act*.

(4) A committee appointed under subsection (3)(c) must include at least one elected member of the council of the local authority referred to in subsection (3)(c).

(5) The committee may confirm, rescind or vary the order reviewed.

1992 cE-13.3 s177;1994 cM-26.1 s642(22);1995 c24 s99(4)

Lieutenant Governor in Council regulations

187 The Lieutenant Governor in Council may make regulations

- (a) designating anything as waste and exempting anything from the definition of waste;
- (b) respecting the provision of waste collection containers;
- (c) respecting the collection, storage, treatment or disposal of waste on, into or under land, water or ice;
- (d) respecting the procedure relating to requests for review of environmental protection orders under section 183 to clean up unsightly property and the conduct of the review;
- (e) respecting the design, location, establishment, construction, operation and reclamation of waste management facilities;

- (f) exempting any person from the application of all or any of the provisions of this Division or the regulations under this Division.

Division 3 Hazardous Waste

Identification number for hazardous waste

188(1) Except in accordance with a regulation made under section 193(a), a person shall not

- (a) generate hazardous waste and permit that hazardous waste to leave the premises where it was generated,
- (b) collect hazardous waste from the premises referred to in clause (a),
- (c) consign or transport hazardous waste, or
- (d) accept hazardous waste for transportation, treatment or disposal or store or provide storage facilities for hazardous waste where the hazardous waste is generated by another person,

unless the person first referred to or that person's employer has been issued a personal identification number by the Director.

(2) An application for a personal identification number must be made in the form and manner provided for in the regulations.

RSA 2000 cE-12 s188;2013 c7 s3

Refusal for unpaid debts

188.1 The Director may refuse to issue a personal identification number where the applicant is indebted to the Government.

2002 c4 s1

Security

189(1) If required by the regulations, the holder of a personal identification number shall provide financial or other security and carry insurance.

(2) Subsection (1) does not apply to the Government or a Government agency.

1992 cE-13.3 s180;1994 c15 s56

Cancellation or suspension of personal identification number

190 The Director may cancel or suspend a personal identification number

- (a) if the holder of the personal identification number is indebted to the Government, or
- (b) if for any other reason the Director considers it appropriate to do so.

RSA 2000 cE-12 s190;2002 c4 s1

Manifest required for hazardous wastes

191 Except in accordance with a regulation made under section 193(a), no person shall consign or transport or accept for transportation, storage, treatment or disposal any hazardous waste unless the waste is accompanied with a manifest that

- (a) is completed in accordance with the regulations,
- (b) accurately identifies the quantity, composition and points of origin and destination of the hazardous waste, and
- (c) contains the personal identification number of each person consigning, transporting or accepting the waste.

RSA 2000 cE-12 s191;2013 c7 s4

Disposal of hazardous waste

192 No person shall dispose of hazardous waste except in accordance with an approval, a code of practice or a registration or as otherwise provided for under this Act.

RSA 2000 cE-12 s192;2003 c37 s31

Lieutenant Governor in Council regulations

193 The Lieutenant Governor in Council may make regulations

- (a) respecting the exemption of a person or class of persons from the application of all or any of the provisions of this Division or the regulations under this Division and respecting the terms and conditions to which such an exemption is or may be subject;
- (b) designating any thing as hazardous waste for the purposes of this Act, including designating classes of hazardous waste;
- (c) respecting the design, location, establishment, construction, operation and reclamation of a facility for the storage, collection, treatment or disposal of hazardous waste;

- (d) respecting the importation, storage, collection, transportation, treatment and disposal of hazardous waste;
- (e) respecting the application for and the issuance of personal identification numbers for the purposes of section 188;
- (f) respecting the form and amount of financial or other security to be given and insurance to be carried by a holder of a personal identification number;
- (g) respecting the manner in which and the conditions under which any security given by the holder of a personal identification number may be forfeited or returned, in whole or in part;
- (h) respecting the completion, retention, use, disposition and filing of manifests and copies of manifests, and prescribing the form of the manifest.

Investigations and Inspections

Establishment of programs by Minister

195 The Minister may establish programs to promote the reporting of

- (a) acts or omissions that are detrimental to the environment, and
- (b) offences under this Act.

1992 cE-13.3 s185

Application for investigation

196(1) Any 2 persons ordinarily resident in Alberta who are not less than 18 years of age and who are of the opinion that an offence has been committed under this Act may apply to the Director to have an investigation of the alleged offence conducted.

(2) The application shall be accompanied with a solemn declaration

- (a) stating the names and addresses of the applicants,
- (b) stating the nature of the alleged offence and the name of each person alleged to be involved in its commission, and
- (c) containing a concise statement of the evidence supporting the allegations of the applicants.

1992 cE-13.3 s186

Investigation on receipt of application

197(1) On receipt of an application under section 196, the Director shall acknowledge receipt of the application and shall investigate all matters that the Director considers necessary for a determination of the facts relating to the alleged offence.

(2) Within 90 days after receiving the application, the Director shall report to the applicant on the progress of the investigation and the action, if any, proposed to be taken in respect of the alleged offence.

(3) The Director may discontinue an investigation if the Director is of the opinion that the alleged offence does not require further investigation.

(4) Where an investigation is discontinued, the Director shall

- (a) prepare a statement in writing stating the reasons for its discontinuance, and
- (b) send a copy of the statement to the applicants and to any person whose conduct was investigated.

1992 cE-13.3 s187

Right of entry and inspection

198(1) For the purpose of the administration of this Act, an investigator may, without a search warrant or order to enter and

inspect and subject to section 199, at any reasonable time do any or all of the following:

- (a) enter and inspect any place to determine
 - (i) the extent, if any, to which a substance may cause, is causing or has caused an adverse effect,
 - (ii) the cause of any adverse effect that may occur, is occurring or has occurred, and
 - (iii) how an adverse effect may be prevented, eliminated or ameliorated and the environment protected or restored;
- (b) enter and inspect any place in which the investigator reasonably believes waste can be found;
- (c) enter and inspect any place in or from which the investigator reasonably believes a substance is being, has been or may be released into the environment;
- (d) enter and inspect any place that the investigator reasonably believes is likely to contain documents related to
 - (i) an activity or thing that is, or is required to be, the subject of an approval, code of practice, registration, certificate of variance, reclamation certificate, remediation certificate, environmental protection order or enforcement order, or
 - (ii) the release of a substance into the environment;
- (e) enter and inspect any place that the investigator reasonably believes is, or is required to be, the subject of or referred to in an approval, code of practice, registration, certificate of variance, reclamation certificate, remediation certificate, environmental protection order or enforcement order;
- (f) stop and inspect any vehicle, aircraft or vessel that the investigator reasonably believes
 - (i) is being operated in contravention of this Act,
 - (ii) is releasing or has released a substance that causes or is likely to cause an adverse effect, or
 - (iii) is being used in the commission of an offence under this Act;

- (g) stop and inspect any vehicle, aircraft or vessel to ascertain whether it or the manner in which it is being operated complies with this Act;
- (h) where any thing may release, is releasing or has released into the environment a substance that may cause, is causing or has caused an adverse effect,
 - (i) require the person having charge, management or control of the thing to detain the thing at the place where it is found, or
 - (ii) remove the thing or cause it to be removed from the place where it is found and give a receipt for it;
- (i) require the production of any documents that are required to be kept under this Act or any other documents that are related to the purpose for which the investigator is exercising any power under clauses (a) to (h).

(2) An investigator may not detain or remove a thing under subsection (1)(h) for more than 5 days, excluding holidays, without the consent of the person having charge, management or control of it or the owner of it, except under the authority of an order issued under subsection (3).

(3) Where a justice is satisfied on evidence under oath by an investigator that there is reasonable ground to believe that a thing detained or removed under subsection (1)(h) should be detained or removed for longer than 5 days, excluding holidays, to protect or conserve the environment, the justice may issue or renew an order authorizing an investigator to detain or remove the thing for the period of time set out in the order.

(4) An investigator who applies for an order under subsection (3) shall give reasonable notice of the application to the person having charge, management or control of the thing to be detained or removed or the owner of it.

(5) In the course of exercising powers under subsection (1), the investigator may do any or all of the following:

- (a) require that any thing be operated, used or set in motion under conditions specified by the investigator;
- (b) use any machine, structure, material or equipment in the place the investigator is inspecting in order to carry out the inspection;
- (c) take samples of any substance or thing;

- (d) conduct tests or take measurements;
- (e) make copies of or take extracts from any documents referred to in subsection (1)(i);
- (f) use any computer system at any place to examine any data contained in or available to the computer system;
- (g) record or copy any information by any method;
- (h) reproduce any record from data in the form of a printout or other intelligible output;
- (i) take a printout or other output for examination or copying;
- (j) use any copying equipment to make copies;
- (k) take any photographs or audio-video records;
- (l) make reasonable inquiries of any person, orally or in writing.

(6) An investigator may remove documents that the investigator is entitled to examine or copy or otherwise reproduce but shall give a receipt to the person from whom they were taken and shall promptly return them on completion of the examination.

(7) An investigator who exercises the power set out in subsection (5)(l) may exclude from the questioning any person except counsel for the individual being questioned.

Private dwelling place

199 An investigator may not enter a private dwelling place or any part of a place that is designed to be used and is being used as a permanent or temporary private dwelling place except

- (a) with the consent of the occupant of the place, or
- (b) under the authority of an order to enter and inspect or a search warrant.

Order to enter and inspect

201(1) Where a justice is satisfied on evidence under oath by an investigator

- (a) that there is reasonable ground for believing that it is appropriate for the administration of this Act for the investigator to do anything set out in section 198, and
- (b) that the investigator may not be able to effectively carry out duties under this Act without an order under this section because
 - (i) no person is present to grant access to a place that is locked or is otherwise inaccessible,
 - (ii) a person has denied the investigator access to a place or there is reasonable ground for believing that a person may deny the investigator access to a place,
 - (iii) a person has prevented the investigator from doing anything set out in section 198 or denied the investigator access to any thing as a result of which the investigator is unable to do anything set out in section 198,
 - (iv) there is reasonable ground for believing that a person may prevent an investigator from doing anything set out in section 198, or may deny the investigator access to any thing as a result of which the investigator may be unable to do anything set out in section 198,
 - (v) it is impractical, because of the remoteness of the place to be inspected or because of any other reason, for the investigator to obtain an order under this section without delay if access is denied, or
 - (vi) there is reasonable ground for believing that an attempt by the investigator to do anything set out in section 198 without the order might defeat the purpose of that section or endanger human life or health or the environment,

the justice may issue an order to enter and inspect authorizing the investigator to do anything set out in section 198 that is specified in the order for the period of time set out in the order.

(2) The period of time referred to in subsection (1) may not extend beyond 30 days after the date on which the order is made, but the order may be renewed for any reason set out in subsection (1) for one or more periods each of which is not more than 30 days.

(3) An application under subsection (2) may be made before or after the expiry of the period.

Order without notice

202 An order under section 201 may be issued or renewed on application without notice.

1992 cE-13.3 s192

Powers to be exercised at reasonable time

203 An investigator exercising powers under section 201 must do so at a reasonable time unless otherwise authorized in the order under that section.

1992 cE-13.3 s193

Seizure without order or search warrant

204(1) An investigator may, without a court order or a search warrant, seize any thing that is produced to the investigator, or that is in plain view, during an inspection under section 198 or 201 if the investigator has reasonable grounds to believe that there has been an offence committed under this Act and that the thing will afford evidence as to the commission of the offence.

(2) The investigator may remove the thing seized or may detain it in the place where it is seized.

(3) The investigator shall inform the person from whom the thing was seized as to the reason for the seizure and shall give the person a receipt for it.

1992 cE-13.3 s194

Bringing seized thing before judge

205 An investigator who seizes any thing under the authority of section 204 shall deal with it in the same way as if it were seized under the authority of a search warrant.

1992 cE-13.3 s195

Tele-warrant

206(1) Where an investigator has reasonable grounds to believe that

- (a) an offence has been committed under this Act,
- (b) there is in a place any thing that will afford evidence as to the commission of the offence, and
- (c) it would be impracticable to appear personally before a justice to make an application for a search warrant,

the investigator may submit an information on oath to a justice by telephone or other means of telecommunication.

(2) An information submitted by telephone or other means of telecommunication shall be on oath and shall be recorded verbatim by the justice, who shall, as soon as practicable, cause to be filed

with the clerk of The Provincial Court of Alberta nearest to the area in which the tele-warrant is intended for execution the record or a transcription of the record certified by the justice as to time, date and contents.

(3) For the purposes of subsection (2), an oath may be administered by telephone or other means of telecommunication.

(4) An information on oath submitted by telephone or other means of telecommunication shall include

- (a) a statement of the circumstances that make it impracticable for the investigator to appear personally before a justice,
- (b) a statement of the alleged offence, the place to be searched and the things alleged to be liable to seizure,
- (c) a statement of the investigator's grounds for believing that things liable to seizure in respect of the alleged offence will be found in the place to be searched, and
- (d) a statement as to any prior application for a tele-warrant under this section or any other search warrant in respect of the same matter of which the investigator has knowledge.

(5) A justice who is satisfied that an information on oath submitted by telephone or other means of telecommunication

- (a) is in respect of an offence committed under this Act and conforms to the requirements of subsection (4),
- (b) discloses reasonable grounds for dispensing with an information presented personally and in writing, and
- (c) discloses reasonable grounds for the issuance of a search warrant in respect of the offence,

may issue a tele-warrant to an investigator conferring the same authority respecting search and seizure as may be conferred by a search warrant issued by a justice before whom the investigator appears personally, and may require that the tele-warrant be executed within any time period that the justice may order.

(6) Where a justice issues a tele-warrant under subsection (5),

- (a) the justice shall complete and sign the tele-warrant in the form prescribed in the regulations, noting on its face the time, date and place of issuance,
- (b) the investigator, on the direction of the justice, shall complete, in duplicate, a facsimile of the tele-warrant in

the form prescribed in the regulations, noting on its face the name of the issuing justice and the time, date and place of issuance, and

- (c) the justice shall, as soon as practicable after the tele-warrant has been issued, cause the tele-warrant to be filed with the clerk of The Provincial Court of Alberta nearest to the area in which the tele-warrant is intended for execution.

(7) An investigator who executes a tele-warrant under subsection (5) shall, before entering the place to be searched or as soon as is practicable after entry, give a facsimile of the tele-warrant to any person present and ostensibly in control of the place.

(8) An investigator who, in any unoccupied place, executes a tele-warrant issued under subsection (5), shall on entering the place or as soon as is practicable after entry, cause a facsimile of the tele-warrant to be suitably affixed in a prominent place within the place.

(9) An investigator to whom a tele-warrant is issued under subsection (5) shall file a written report with the clerk of The Provincial Court of Alberta nearest to the area in which the tele-warrant was intended for execution as soon as is practicable but within a period not exceeding 7 days after the tele-warrant has been executed, which report shall include

- (a) a statement of the time and date the tele-warrant was executed, or if the tele-warrant was not executed, a statement of the reasons why it was not executed,
- (b) a statement of the things, if any, that were seized pursuant to the tele-warrant and the location where they are being held, and
- (c) a statement of the things, if any, that were seized in addition to the things mentioned in the tele-warrant and the location where they are being held, together with a statement of the investigator's grounds for believing that those additional things had been obtained by, or used in, the commission of an offence.

(10) The clerk of The Provincial Court of Alberta with whom a written report is filed pursuant to subsection (9) shall, as soon as is practicable, cause the report, together with the information on oath and the tele-warrant to which it pertains, to be brought before a justice to be dealt with in respect of any thing that was seized and is referred to in the report, in the same manner as if the things were seized pursuant to a search warrant issued by a justice on an information presented personally by an investigator.

(11) In any proceeding in which it is material for a court to be satisfied that a search or seizure was authorized by a tele-warrant issued under subsection (5), the absence of the information on oath, transcribed and certified by the justice as to time, date and contents, or of the original tele-warrant, signed by the justice and carrying on its face a notation of the time, date and place of issuance, is, in the absence of evidence to the contrary, proof that the search or seizure was not authorized by a tele-warrant issued under subsection (5).

1992 cE-13.3 s196

Disposal of things seized

207(1) Where a person is convicted of an offence under this Act and any thing relating to the conviction that was seized under this Part is then being detained, the thing shall, on the expiration of the time for taking an appeal from the conviction or on the final conclusion of the proceedings, as the case may be,

- (a) be forfeited to the Government, if the court so directs, or
- (b) be restored to the person from whom it was seized or to any other person who is entitled to possession of it, subject to any terms and conditions imposed by the court.

(2) Where a thing is forfeited under subsection (1)(a),

- (a) the Minister may dispose of or destroy the thing, and
- (b) the costs of the forfeiture and disposal or destruction are recoverable from the offender.

1992 cE-13.3 s197

Assistance by peace officer

208 An investigator may be accompanied by a peace officer while exercising powers or carrying out duties under this Part.

1992 cE-13.3 s198

Assistance to inspectors and investigators

209 The owner of and every person found in any place in respect of which an inspector or investigator is exercising powers or carrying out duties under this Part shall

- (a) give the inspector or investigator all reasonable assistance to enable the inspector or investigator to exercise those powers and carry out those duties, and
- (b) furnish all information relative to the exercising of those powers and the carrying out of those duties that the inspector or investigator may reasonably require.

1992 cE-13.3 s199

Enforcement Orders

Enforcement orders by Director

210(1) Where in the Director's opinion a person has contravened this Act, except section 178, 179, 180, 181 or 182, the Director may, whether or not the person has been charged or convicted in respect of the contravention, issue an enforcement order ordering any of the following:

- (a) the suspension or cancellation of an approval, registration or certificate of qualification;
- (b) the stopping or shutting down of any activity or thing either permanently or for a specified period;
- (c) the ceasing of the construction or operation of any activity or thing until the Director is satisfied the activity or thing will be constructed or operated in accordance with this Act;
- (d) the doing or refraining from doing of any thing referred to in section 113, 129, 140, 150, 156, 159, 183 or 241, as the case may be, in the same manner as if the matter were the subject of an environmental protection order;
- (e) specifying the measures that must be taken in order to effect compliance with this Act.

(2) Where an enforcement order specifies measures that must be taken under subsection (1)(e), the measures may impose requirements that are more stringent than applicable requirements in the regulations.

(3) An enforcement order issued under subsection (1) shall contain the reasons for making it and must be served on the person to whom it is directed.

1992 cE-13.3 s200;1996 cW-3.5 s175;1996 c17 s55;1997 c18 s6

Enforcement order concerning waste

211(1) Where an investigator or the Director has reason to believe that a person has contravened section 178, 179, 180, 181 or 182, the investigator or the Director may issue an enforcement order to that person in the form and containing the matters provided for in the regulations.

(2) If a person to whom an enforcement order is issued under subsection (1) complies with the order, no prosecution may be commenced for the offence under section 178, 179, 180, 181 or 182, as the case may be, in respect of the facts that gave rise to the order.

(3) An enforcement order issued under subsection (1) shall contain the reasons for making it and shall be served on the person to whom it is directed.

1992 cE-13.3 s201;1997 c18 s6

Amendment and cancellation of enforcement orders

212(1) The Director may

- (a) amend a term or condition of, add a term or condition to or delete a term or condition from an enforcement order,
- (b) cancel an enforcement order, or
- (c) amend a clerical error in an enforcement order.

(2) The Director may amend an enforcement order by adding to the list of persons to whom the order is directed.

(3) The Director may exercise powers under subsection (1) or (2) notwithstanding that the original enforcement order may have been issued by an investigator.

(4) A copy of an enforcement order issued under subsection (1) must be served on the same person to whom the original order was directed.

(5) A copy of an enforcement order issued under subsection (2) must be served on

- (a) any person whose name was added to it, and
- (b) the same person to whom the original order was directed.

1992 cE-13.3 s202;1998 c15 s22

Court order for compliance

213(1) If the person to whom an enforcement order is directed fails to comply with the enforcement order, the Minister may apply to the Court of Queen's Bench for an order of the Court directing that person to comply with the enforcement order.

(2) This section applies whether or not a conviction has been adjudged against the person to whom the enforcement order is directed for an offence under this Act in respect of the subject-matter that gave rise to the issuing of the enforcement order.

1992 cE-13.3 s203;1994 c15 s58

Failure to comply with enforcement order

214(1) If the person to whom an enforcement order is directed fails to comply with the enforcement order, the Director may take

whatever action the Director considers necessary to carry out the terms of the enforcement order.

(2) Costs incurred by the Director under this section are recoverable by the Government

- (a) in an action in debt against the person to whom the enforcement order was directed, or
- (b) by order of the Minister directing any person who purchases land to which the enforcement order relates including, without limitation, a purchase on the sale of the land to realize a security interest, to pay to the Minister instead of to the vendor an amount not exceeding the amount owing in respect of the costs.

(3) If the identity of a purchaser to whom an order could be issued under subsection (2)(b) cannot be ascertained, the Minister may nevertheless issue the order, and may take steps to ensure compliance with the order if the identity of the person becomes known to the Minister after the order is issued.

(4) For the purposes of this section, the costs referred to in subsection (2) include, without limitation,

- (a) any costs incurred in investigating and responding to
 - (i) any matter to which an enforcement order relates, or
 - (ii) the failure to comply with an enforcement order,
- and
- (b) in a case where the enforcement order relates to a contaminated site under section 125, compensation paid to a person in accordance with section 131.

(5) A purchaser who pays an amount to the Minister under subsection (2)(b) is discharged from any obligation to pay that amount to the vendor.

1992 cE-13.3 s204;1996 c17 s47;1998 c15 s23

Joint and several liability

215 Where an enforcement order is issued to more than one person, all persons named in the order are jointly responsible for carrying out the terms of the order and are jointly and severally liable for payment of the costs of doing so, including any costs incurred by the Director under section 214(2).

1992 cE-13.3 s205

Civil Remedies

Priority for costs

216 Costs incurred by the Director under section 214 or 245 and costs incurred by an inspector or investigator or the Director in taking emergency measures under section 115 or 152 constitute a charge in favour of the Government,

- (a) in the case of costs incurred under section 214 or 245, on the land to which the order relates and on any other land that
 - (i) is contiguous to the land to which the order relates,
 - (ii) is used for the same or a related purpose, and
 - (iii) is owned by the person who owns the land to which the order relates or by the person to whom the order is directed,

and

- (b) in the case of costs incurred under section 115 or 152, on the land on which the emergency measures were taken and on any other land that
 - (i) is contiguous to the land on which the emergency measures were taken,
 - (ii) is used for the same or a related purpose, and
 - (iii) is owned by the same person who owns the land on which the emergency measures were taken,

and the charge is enforceable in the same way as a mortgage or other security on land and ranks above any other claim, right or charge against the land, notwithstanding any other law of Alberta.

1998 c15 s24

Other civil remedies unaffected

217 Subject to sections 220 and 250, no civil remedy for an act or omission is suspended or affected by reason only that the act or omission is an offence under this Act or gives rise to a civil remedy under this Act, and nothing in this Act shall be construed so as to repeal, remove or reduce any remedy available to any person at common law or under any Act of Parliament or of a provincial legislature.

1992 cE-13.3 s206

Extension of limitation period

218(1) A judge of the Court of Queen's Bench may, on application, extend a limitation period provided by a law in force in Alberta for the commencement of a civil proceeding where the basis for the proceeding is an alleged adverse effect resulting from the alleged release of a substance into the environment.

(2) An application under subsection (1) may be made before or after the expiry of the limitation period.

(3) In considering an application under subsection (1), the judge shall consider the following factors, where information is available:

- (a) when the alleged adverse effect occurred;
- (b) whether the alleged adverse effect ought to have been discovered by the claimant had the claimant exercised due diligence in ascertaining the presence of the alleged adverse effect, and whether the claimant exercised such due diligence;
- (c) whether extending the limitation period would prejudice the proposed defendant's ability to maintain a defence to the claim on the merits;
- (d) any other criteria the court considers to be relevant.

1998 c15 s25

Civil cause of action

219 Subject to section 220, where a person is convicted of an offence under this Act, any person who suffers loss or damage as a result of the conduct that constituted the offence may, in a court of competent jurisdiction, sue for and recover from the convicted person an amount equal to the loss or damage proved to have been suffered.

1992 cE-13.3 s207

Protection from liability

220 No action for damages may be commenced against

- (a) a person who is an employee or agent of or is under contract to the Government or is an employee or agent of or is under contract to a Government agency,
- (b) a person who is designated as an inspector, investigator or analyst under section 25(3)(b), (c) or (d),
- (c) a person to whom the Minister has, under section 9 of the *Government Organization Act*, delegated a power, duty or function under this Act,

- (d) any person, including any employee of the Government, a Government agency, a local authority or the Government of Canada or an agency of that Government, to whom a power or duty has been delegated under section 17,
- (d.1) any person, including any employee of the Government, a Government agency, a local authority or the Government of Canada or an agency of that Government, to whom the administration of a provision of this Act has been transferred under section 18,
- (e) a member of the Environmental Appeals Board, or
- (f) a member, employee or agent of, or a person under contract to, a delegated authority referred to in section 37(d),

for anything done or not done by that person in good faith while carrying out that person's duties or exercising that person's powers under this Act including, without limitation, any failure to do something when that person has discretionary authority to do something but does not do it.

Action for condition of land prohibited

221(1) Subject to subsection (2), no action for damages may be commenced against a municipality with respect to the state and condition of a parcel of land, or any improvements to it, shown on the tax arrears list of the municipality.

(2) Subsection (1) does not apply if, after the date on which the municipality is entitled to possession of the parcel under section 420 of the *Municipal Government Act* or after the date on which the municipality becomes the owner of the parcel under section 424 of the *Municipal Government Act*, the municipality

- (a) releases on that parcel a new or additional substance into the environment that may cause, is causing or has caused an adverse effect, or
- (b) aggravates the adverse effect of the release of a substance into the environment on that parcel.

(3) This section does not relieve a municipality of liability respecting a parcel of land, or any improvement to it, that was owned by the municipality before the parcel was placed on the municipality's tax arrears list.

Injunction re commission of offence

222(1) Where, on the application of the Director, it appears to the Court of Queen's Bench that a person has done, is doing or is about to do any act or any thing constituting or directed toward the commission of an offence under this Act, the Court may issue an injunction ordering any person named in the application

- (a) to refrain from doing that act or thing, or
- (b) to do any act or thing that it appears to the Court may prevent the commission of an offence under this Act.

(2) A copy of the application and supporting material must be given to the party or parties named in the application at least 48 hours prior to the time set for the hearing unless the Court is of the opinion that the urgency of the situation is such that giving notice would not be in the public interest.

RSA 2000 cE-12 s222;2009 c53 s61

Recovery of costs by the Government

223 The Government may recover in an action in debt against any person who is convicted of an offence under this Act the costs incurred by the Government

- (a) in administering, investigating and responding to any matter related to the offence,
- (b) in carrying out or causing to be carried out any preventive or remedial action made necessary by the act or omission that constituted the offence, and
- (c) in compensating a person in accordance with section 131 where the compensation is payable as a result of the offence.

1992 cE-13.3 s210

Registration of orders

224(1) In this section, "order" means

- (a) a designation of an area of the environment as a contaminated site under section 125,
- (b) an enforcement order, and
- (c) an environmental protection order.

(2) The Director may submit a certified copy of an order to

- (a) the Registrar of Land Titles under the *Land Titles Act*, or

- (b) the Registrar of the Metis Settlements Land Registry under the *Metis Settlements Act*.

(3) On receiving a certified copy of an order under subsection (2), the Registrar shall

- (a) endorse a memorandum of the order on the certificate of title to the land to which the order relates, or
- (b) record the order against the Metis title register for the land to which the order relates,

as the case may be.

(4) Notwithstanding any other Act, an endorsement or record under this section does not lapse and shall not be cancelled except on the receipt by the Registrar of a notice in writing from the Director requesting the cancellation.

(5) On making an endorsement or record under this section, the Registrar shall notify the Director to that effect, and the Director shall notify in writing

- (a) the registered owner of the land to which the order relates and all other persons who have a registered interest against the land, or
- (b) the person against whose Metis title the order is recorded and all other persons who have a recorded interest against the Metis title,

as the case may be.

1998 c15 s26

Injunction re loss or damage

225 Any person who has suffered, is suffering or is about to suffer loss or damage as a result of conduct that is contrary to this Act may apply to the Court of Queen's Bench for an injunction ordering the person engaged in the conduct to

- (a) refrain from doing any act that it appears to the Court causes or will cause the loss or damage, or
- (b) do any act or thing that it appears to the Court prevents or will prevent the loss or damage.

Additional fine where monetary benefits acquired by offender

230 Where a person is convicted of an offence under this Act and the court is satisfied that as a result of the commission of the offence monetary benefits accrued to the offender, the court may order the offender to pay, in addition to a fine under section 228, a fine in an amount equal to the court's estimation of the amount of those monetary benefits.

1992 cE-13.3 s216

Continuing offences

231 Every person who is guilty of an offence under this Act is liable on conviction for each day or part of a day on which the offence occurs or continues.

1992 cE-13.3 s217

Liability of directors and officers

232 Where a corporation commits an offence under this Act, any officer, director or agent of the corporation who directed,

authorized, assented to, acquiesced in or participated in the commission of the offence is guilty of the offence and is liable to the punishment provided for the offence, whether or not the corporation has been prosecuted for or convicted of the offence.

1992 cE-13.3 s218

Liability of public officials

233(1) Where a person who is acting under the direction of

- (a) a Minister of the Government,
- (b) an official of the Government,
- (c) a member of a council of a local authority, or
- (d) the chief administrative officer or a designated officer of a local authority

commits an offence under this Act, the Minister, official, member of council, chief administrative officer or designated officer is also guilty of the offence and liable for the punishment provided for the offence, if the Minister, official, member of council, chief administrative officer or designated officer knew or ought reasonably to have known of the circumstances that constituted the commission of the offence and had the influence or control to prevent its commission, whether or not the other person has been prosecuted for or convicted of the offence.

(2) No person shall be convicted of an offence by reason of the operation of subsection (1) if that person establishes on a balance of probabilities that the person took all reasonable steps to prevent the commission of the offence by the other person referred to in subsection (1).

Court orders relating to penalty

234(1) When a person is convicted of an offence under this Act, in addition to any other penalty that may be imposed under this Act, the court may, having regard to the nature of the offence and the circumstances surrounding its commission, make an order having any or all of the following effects:

- (a) prohibiting the offender from doing anything that may result in the continuation or repetition of the offence;
- (b) directing the offender to take any action the court considers appropriate to remedy or prevent any harm to the environment that results or may result from the act or omission that constituted the offence;

- (c) directing the offender to publish, in the prescribed manner and at the offender's cost, the facts relating to the conviction;
- (d) directing the offender to notify any person aggrieved or affected by the offender's conduct of the facts relating to the conviction, in the prescribed manner and at the offender's cost;
- (e) directing the offender to post a bond or pay money into court in an amount that will ensure compliance with any order made pursuant to this section;
- (f) on application to the court by the Minister made within 3 years after the date of conviction, directing the offender to submit to the Minister any information with respect to the conduct of the offender that the court considers appropriate in the circumstances;
- (g) directing the offender to compensate the Minister, in whole or in part, for the cost of any remedial or preventive action that was carried out or caused to be carried out by the Government and was made necessary by the act or omission that constituted the offence;
- (h) directing the offender to perform community service;
- (i) requiring the offender to comply with any other conditions the court considers appropriate in the circumstances for securing the offender's good conduct and for preventing the offender from repeating the same offence or committing other offences.

(2) Where an offender contravenes an order made under subsection (1)(c), the Minister may publish the facts in compliance with the order.

(3) Where the court makes an order under subsection (1)(g) or the Minister incurs publication costs under subsection (2), the costs constitute a debt due to the Government.

(4) An order made under subsection (1) comes into force on the day on which it is made or on any other day specified in the order and continues in force for the period specified in the order, not to exceed 3 years.

1992 cE-13.3 s220

Compensation for loss of property

235(1) Where a person is convicted of an offence under this Act, the court may, at the time sentence is imposed and on the application of a person aggrieved, order the offender to pay to the

person an amount by way of satisfaction or compensation for loss of or damage to property suffered by that person as a result of the commission of the offence.

(2) A person in whose favour an order is made under subsection (1) may file the order with the clerk of the Court of Queen's Bench and, on filing, the order may be enforced as if it were a judgment of the Court of Queen's Bench in civil proceedings.

1992 cE-13.3 s221

Variation of court orders

236(1) Subject to subsection (2), where a court has made an order under section 234, the court may, on application by the offender or the Minister of Justice and Solicitor General, require the offender to appear before it and, after hearing the offender and the Minister of Justice and Solicitor General, may make any or all of the following orders if it considers that the circumstances of the offender have changed so as to warrant such an order:

- (a) an order changing the original order or the conditions specified in it;
- (b) an order relieving the offender absolutely or partially from compliance with any or all of the order;
- (c) an order reducing the period for which the original order is to remain in effect;
- (d) an order extending the period for which the original order is to remain in effect for an additional period not to exceed one year.

(2) Before making an order under subsection (1), the court may direct that notice be given to any persons the court considers to be interested and the court may hear any of those persons.

(3) Where an application made under this section in respect of an offender has been heard by a court, no other application under this section may be made with respect to the offender except with leave of the court.

Administrative penalties

237(1) Where the Director is of the opinion that a person has contravened a provision of this Act that is specified for the purposes of this section in the regulations, the Director may, subject to the regulations, by notice in writing given to that person require that person to pay to the Government an administrative penalty in the amount set out in the notice for each contravention.

(2) A notice of administrative penalty may require the person to whom it is directed to pay either or both of the following:

- (a) a daily amount for each day or part of a day on which the contravention occurs and continues;
- (b) a one-time amount to address economic benefit where the Director is of the opinion that the person has derived an economic benefit directly or indirectly as a result of the contravention.

(3) A person who pays an administrative penalty in respect of a contravention may not be charged under this Act with an offence in respect of that contravention.

(4) Subject to the right to appeal a notice of administrative penalty to the Environmental Appeals Board, where a person fails to pay an administrative penalty in accordance with the notice of administrative penalty and the regulations, the Minister may file a copy of the notice of administrative penalty with the clerk of the Court of Queen's Bench and, on being filed, the notice has the same force and effect and may be enforced as if it were a judgment of the Court.

Part 11 Miscellaneous Provisions

Environmental Protection Orders

Joint and several liability under environmental protection orders

240(1) Where an environmental protection order is directed to more than one person, all persons named in the order are jointly responsible for carrying out the terms of the order and are jointly and severally liable for payment of the costs of doing so, including any costs incurred by the Director under section 245(2).

(2) Subsection (1) does not apply to an environmental protection order under section 129 that provides for apportionment of costs.

(3) Notwithstanding subsection (1), where an environmental protection order is directed to a person who is acting in the capacity of executor, administrator, receiver, receiver-manager or trustee,

that person's liability is limited to the value of the assets that person is administering unless the situation identified in the order resulted from or was aggravated by the gross negligence or wilful misconduct of the executor, administrator, receiver, receiver-manager or trustee.

1992 cE-13.3 s226;1998 c15 s29

General requirements of environmental protection orders

241(1) In addition to any other requirements that may be included in an environmental protection order, such an order may contain provisions

- (a) requiring the person to whom it is directed
 - (i) to maintain records on any relevant matter,
 - (ii) to report periodically to the Director,
 - (iii) to prepare environmental audits for submission to the Director,
 - (iv) to submit to the Director any information, proposal or plan specified by the Director setting out any action to be taken by the person with respect to the subject-matter of the order, and
 - (v) to take any other measure that the person issuing the order considers necessary to
 - (A) facilitate compliance with the order, or
 - (B) protect or restore the environment,
- (b) fixing the manner or method of, or the procedures to be used in, carrying out the measures required by the order, and
- (c) fixing the time within which any measure required by the order is to be commenced and the time within which the order or any portion of the order is to be complied with.

(2) An environmental protection order shall be served on the person to whom it is directed.

1992 cE-13.3 s227

Ministerial regulations

242 The Minister may make regulations governing the issuing, form and content of environmental protection orders.

1992 cE-13.3 s228

Amendment and cancellation of environmental protection orders

243(1) The Director may

- (a) amend a term or condition of, add a term or condition to or delete a term or condition from an environmental protection order,
- (b) cancel an environmental protection order, or
- (c) correct a clerical error in an environmental protection order.

(2) The Director may amend an environmental protection order by adding to the list of persons to whom the order is directed.

(3) The Director may exercise powers under subsection (1) or (2) notwithstanding that the original environmental protection order may have been issued by an inspector or investigator.

(4) A copy of an environmental protection order amended under subsection (1) shall be served on the same person to whom the original order was directed.

(5) A copy of an environmental protection order amended under subsection (2) must be served on

- (a) any person whose name was added to it, and
- (b) the same person to whom the original order was directed.

1992 cE-13.3 s229;1994 c15 s64;1998 c15 s30

Court order for compliance

244(1) If the person to whom an environmental protection order is directed fails to comply with the environmental protection order, the Minister may apply to the Court of Queen's Bench for an order of the Court directing that person to comply with the environmental protection order.

(2) This section applies whether or not a conviction has been adjudged against the person to whom the environmental protection order is directed for an offence under this Act in respect of the subject-matter that gave rise to the issuing of the environmental protection order.

1992 cE-13.3 s230;1994 c15 s65

Failure to comply with environmental protection order

245(1) If the person to whom an environmental protection order is directed fails to comply with the environmental protection order, the Director may take whatever action the Director considers necessary to carry out the terms of the order.

(2) Costs incurred by the Director under this section are recoverable by the Government

- (a) in an action in debt against the person to whom the environmental protection order was directed, or
- (b) by order of the Minister directing any person who purchases land to which the environmental protection order relates including, without limitation, a purchase on the sale of the land to realize a security interest, to pay to the Minister instead of to the vendor an amount not exceeding the amount owing in respect of the costs.

(3) If the identity of a purchaser to whom an order could be issued under subsection (2)(b) cannot be ascertained, the Minister may nevertheless issue the order, and may take steps to ensure compliance with the order if the identity of the person becomes known to the Minister after the order is issued.

(4) For the purposes of this section, the costs referred to in subsection (2) include, without limitation,

- (a) any costs incurred in administering, investigating and responding to
 - (i) any matter to which the environmental protection order relates, or
 - (ii) the failure to comply with the environmental protection order,

and

- (b) in a case where the environmental protection order relates to a contaminated site under section 125, compensation paid to a person under section 131.

(5) A purchaser who pays an amount to the Minister under subsection (2)(b) is discharged from any obligation to pay that amount to the vendor.

1992 cE-13.3 s231;1994 c15 s66;1996 c17 s51;1998 c15 s31

Environmental protection order where person unidentifiable

246(1) Where this Act authorizes the issuance of an environmental protection order but none of the persons to whom the order could be issued are identifiable, the Director may nevertheless issue the order and take whatever action the Director considers necessary to carry out the terms of the order.

(2) The costs of carrying out the terms of an environmental protection order under this section are recoverable in accordance with section 245(2) against any person to whom the environmental protection order referred to in subsection (1) could have been

issued, where the identity of such a person becomes known to the Director after the order is issued.

1992 cE-13.3 s232

General requirements re emergency environmental protection order

247(1) An inspector or investigator shall make all reasonable efforts to consult with the Director before issuing an environmental protection order directing the performance of emergency measures under section 114, 151 or 160.

(2) An environmental protection order directing the performance of emergency measures under section 114, 151 or 160 shall contain the reasons for making it and where it is issued by an inspector or investigator, the inspector or investigator shall submit a copy of it to the Director immediately after issuing it.

1992 cE-13.3 s233;1996 cW-3.5 s175

Recovery of costs for emergency measures

248 The costs of carrying out emergency measures under section 115 or 152 are recoverable by the Government in an action in debt against the person who is responsible for the need to take the emergency measures.

1992 cE-13.3 s234;1996 cW-3.5 s175

Miscellaneous

Use of assistants

249 An inspector or investigator or the Director, in carrying out any duties or exercising any powers under this Act, may be accompanied by any persons who are employees or agents of the Government, a Government agency or a local authority that the inspector, investigator or Director considers necessary to enable the inspector, investigator or Director to carry out those duties and exercise those powers.

1992 cE-13.3 s235

Right of entry

250(1) The powers in this section are in addition to any power to enter under Part 10.

(2) An inspector or investigator or the Director may, without incurring liability for doing so, enter any place for the purpose of carrying out any work or doing any other thing that the inspector, investigator or Director is authorized under this Act to carry out or do.

(3) A person referred to in section 249 may enter any place without being accompanied by an inspector or investigator or the Director without incurring liability for doing so when authorized to do so by the inspector, investigator or Director.

(4) Where an environmental protection order or an enforcement order orders the person to whom it is directed to carry out any work or do any thing in respect of a place, that person and any other person carrying out the work or doing the thing on that person's behalf may, without incurring liability for doing so, enter the place for the purpose of carrying out the work or doing the thing required by the order.

(5) Where a judge of the Provincial Court is satisfied on evidence under oath that a person has been prevented from entering a place or has been denied access to a place that person is authorized to enter under this section, the judge may issue an order authorizing that person to enter the place for the purpose of carrying out any work or doing any thing that the person is authorized to carry out or do.

(6) An application under subsection (5) must be made by

- (a) the inspector, investigator or Director, as the case may be, in a case referred to in subsection (2) or (3), or
- (b) the Director, in a case referred to in subsection (4).

(7) A person entering any place under the authority of this section

- (a) shall do so at a reasonable time unless authorized otherwise in an order, and
- (b) shall give reasonable prior notice of intention to enter the place to the occupant of the place or, if there is no occupant, to the owner if it is practicable in the circumstances to do so.

1992 cE-13.3 s236;1994 c15 s67
