

# North Saskatchewan Region Plan (NSRP)

## Regional Advisory Council

### Meeting 5: Fort Saskatchewan → September 23 – 25, 2014

Lakeview Hotels & Resorts: 10115 – 88 Ave

#### Outcomes for Meeting 5:

By the end of Meeting 5, RAC will provide recommendations, strategies and advice to:

- Identify mechanisms to strengthen relationships and increase the current level of aboriginal peoples' involvement in regional planning
- Enhance efficient land use in areas where petroleum and petrochemical investments are expected to occur
- Enhance collaboration between Government of Alberta, municipalities, landowners and industry in the implementation of the efficient use of land principles
- Increase the current level of involvement and partnership by and between various groups (e.g., non-profits, private sector, aboriginal and local governments) and the Government of Alberta, in the area of land-use planning
- Strengthen regional infrastructure, community planning, and development in order to support economic expansion and population growth
- Facilitate efficient transportation of products to local, national and international markets
- Maintain a viable agricultural land base to support growth and diversification of the agricultural industry
- Attract tourism investors and developers (specific to Crown land) through longer-term tenure

#### Topics:

- Inclusion of aboriginal peoples in land-use planning for the North Saskatchewan Region
- Community Growth Lands
- Community Land-use Planning
- Transportation of Products to Improve our Access to Markets
- Economic Development
